

**Lass uns einen
Charly Chip
bauen!**

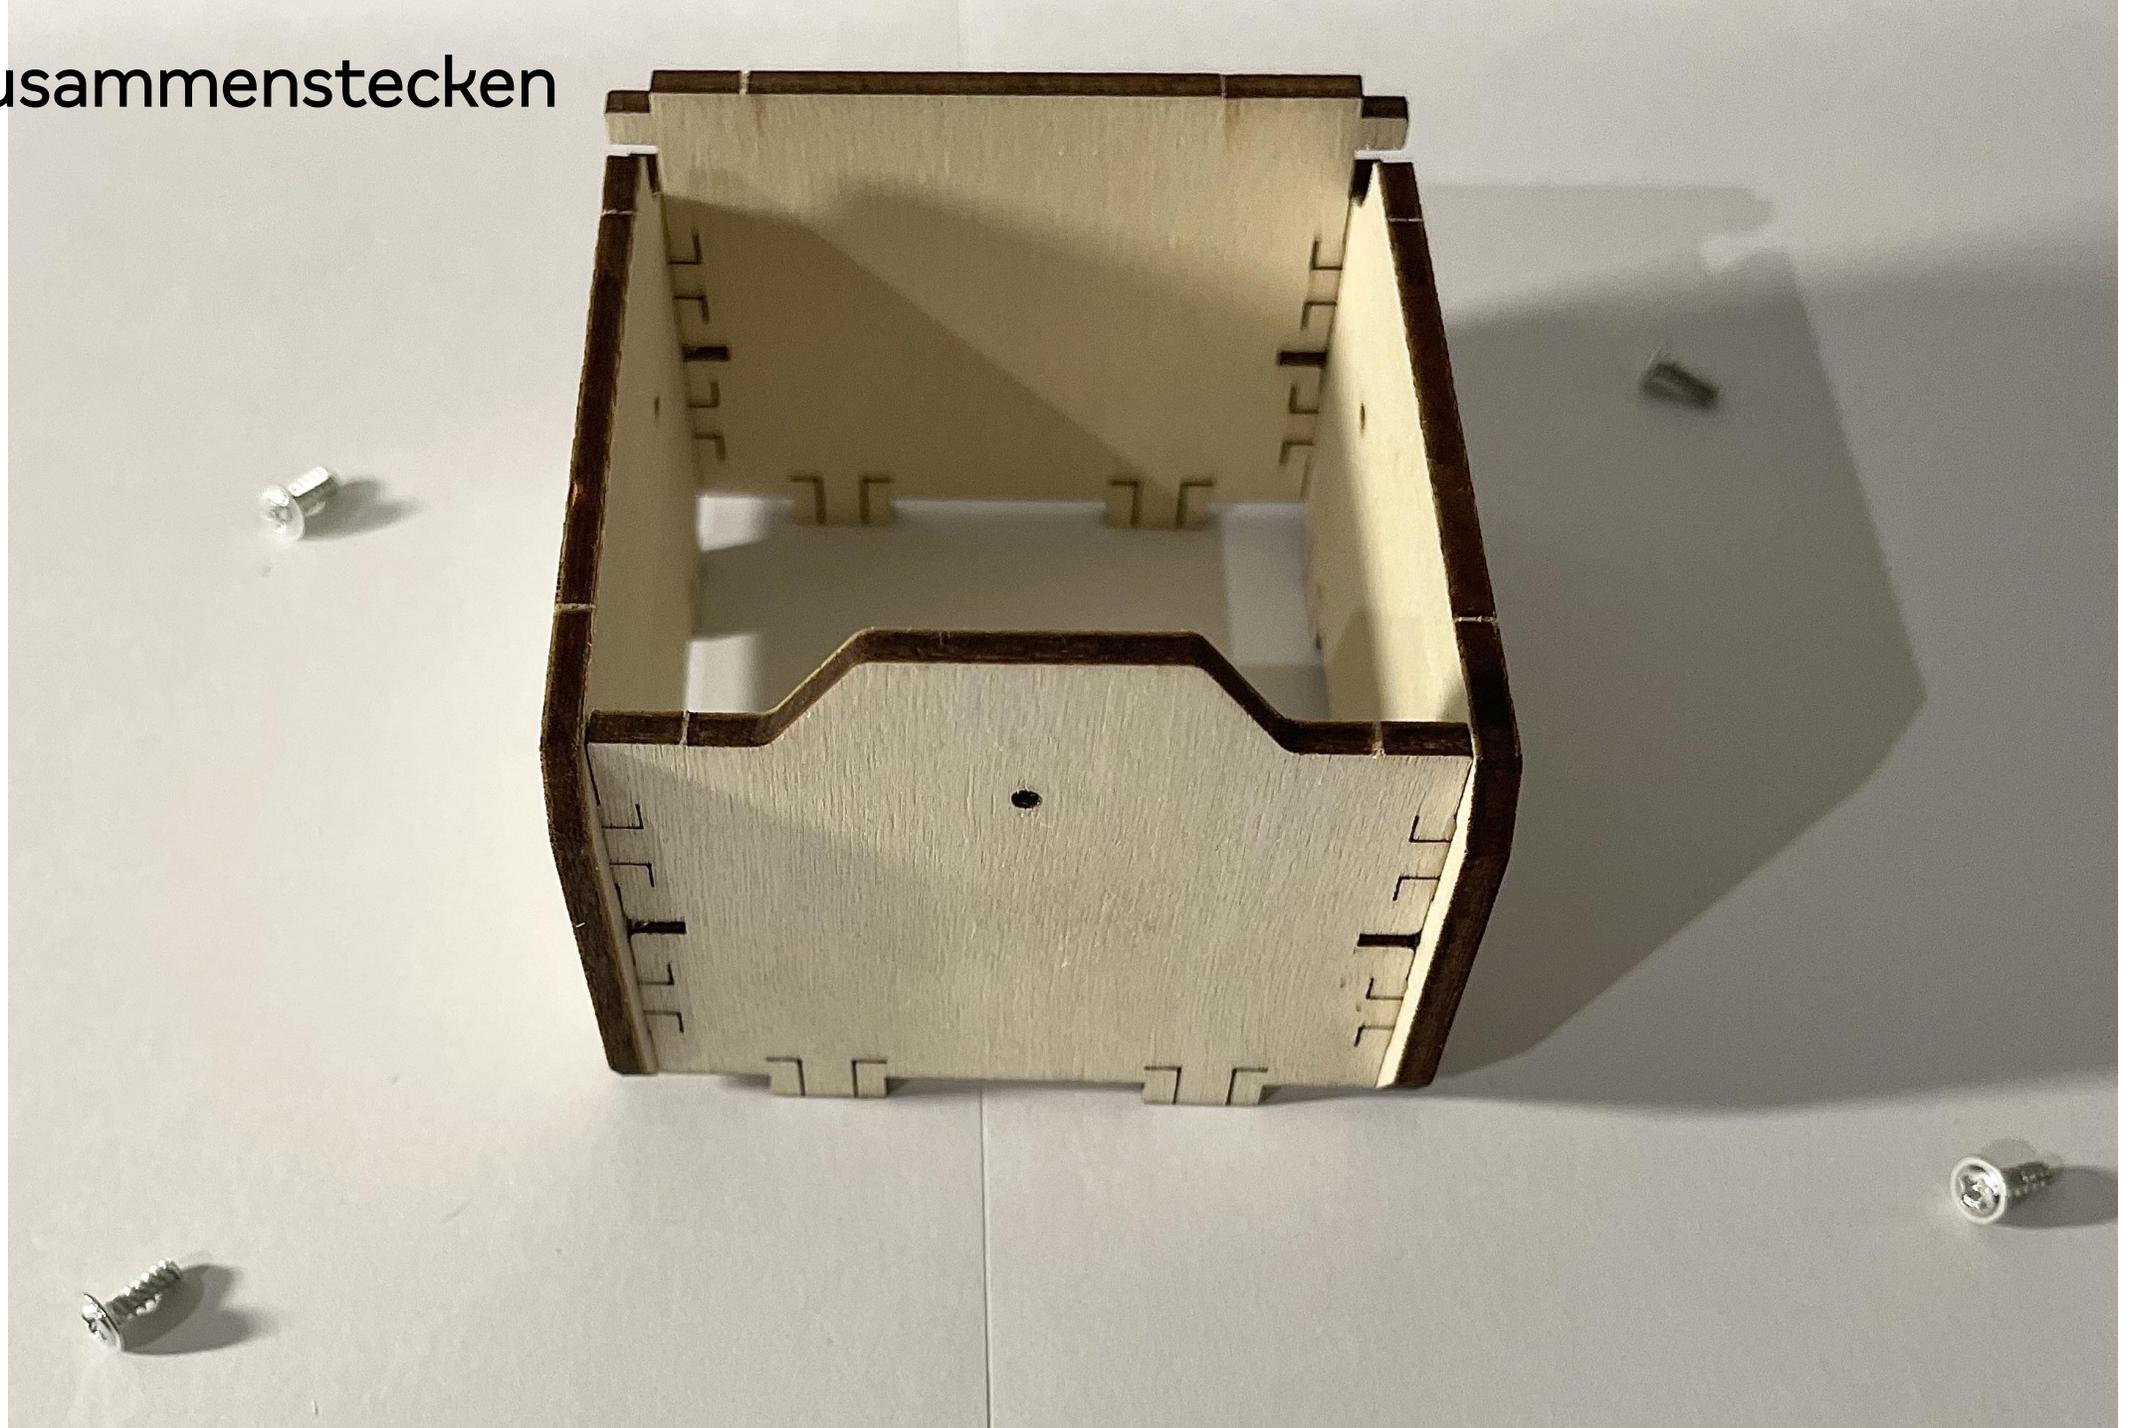

Zuerst bauen wir den Kopf!

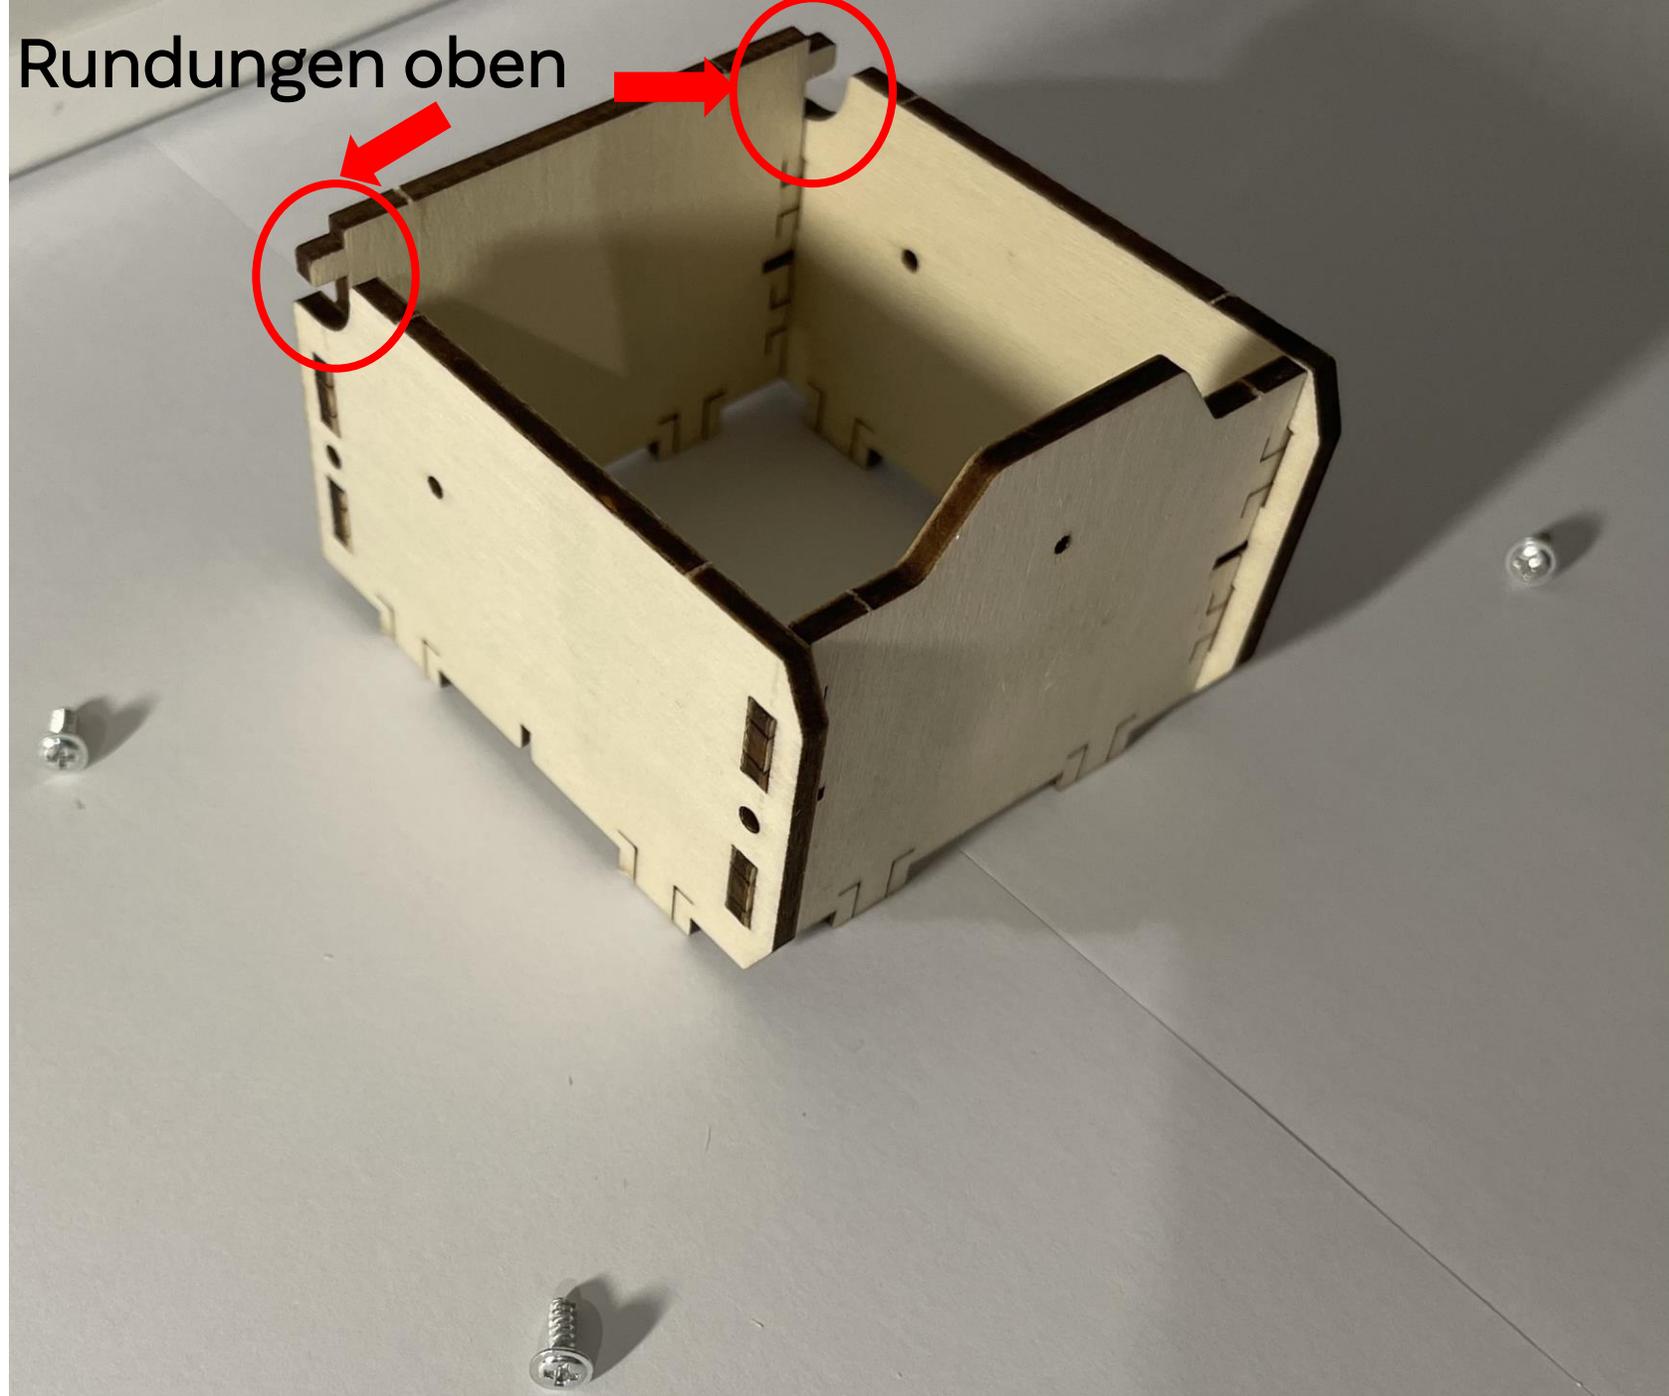

4 Schrauben

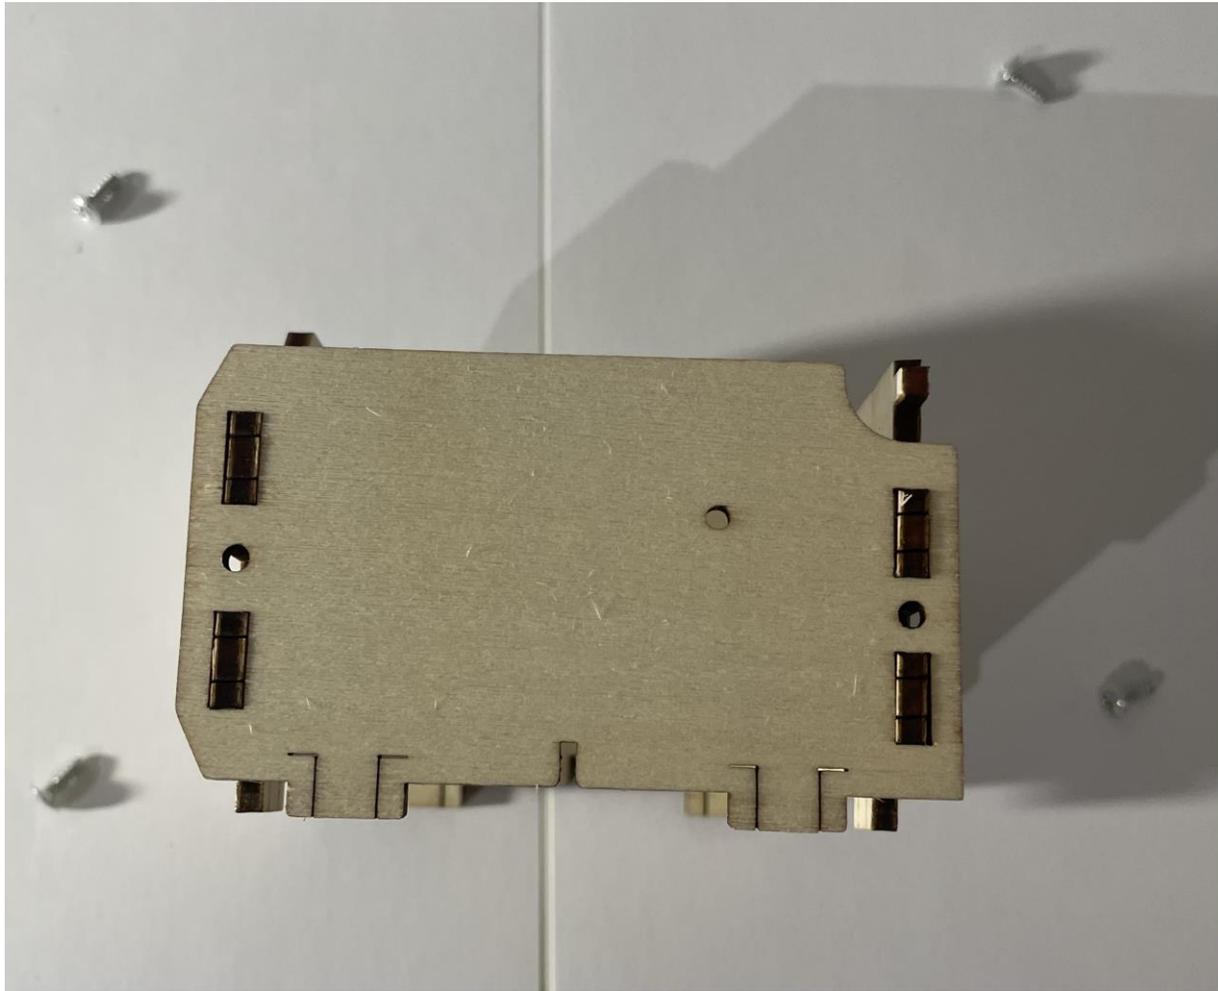

Zusammenstecken

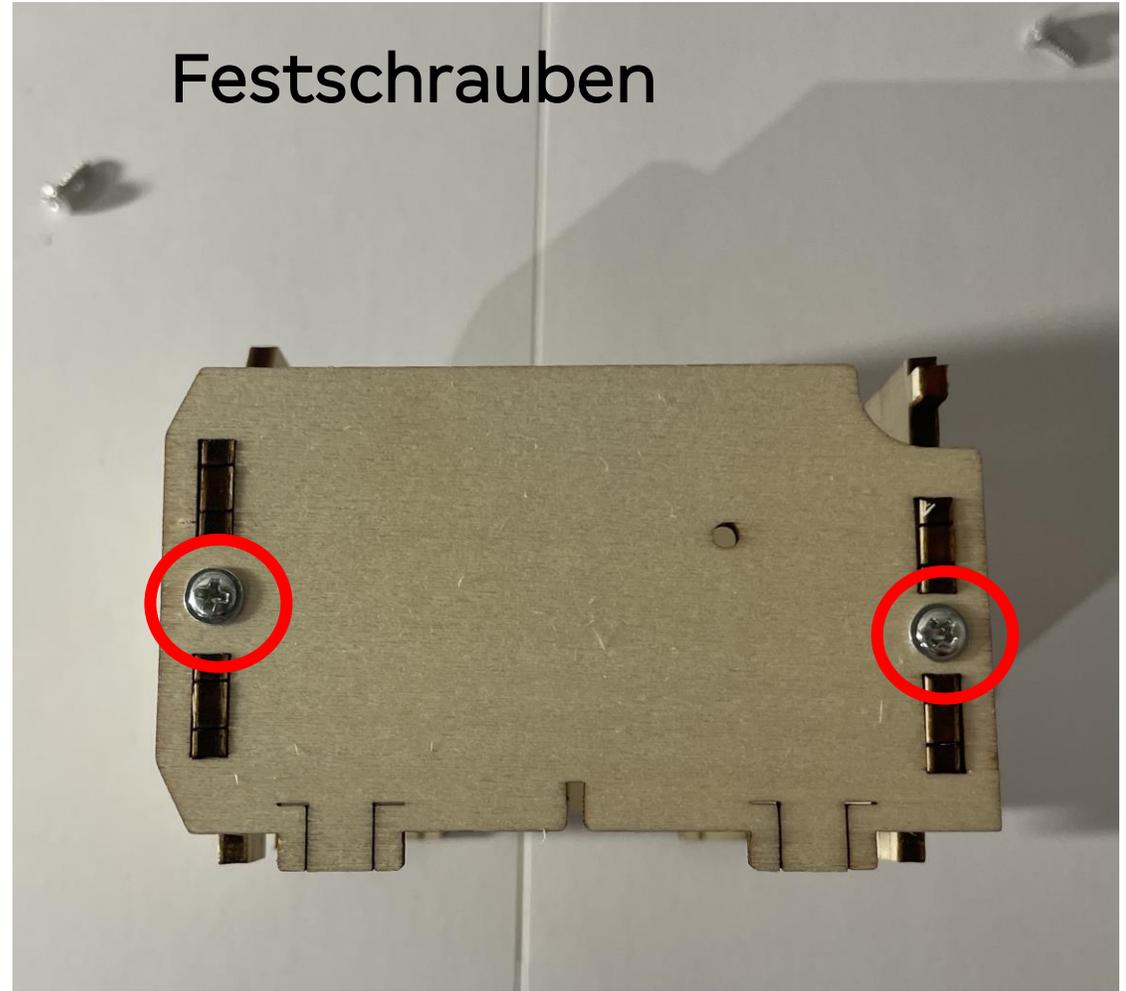

Rundungen oben

Rechte Seite

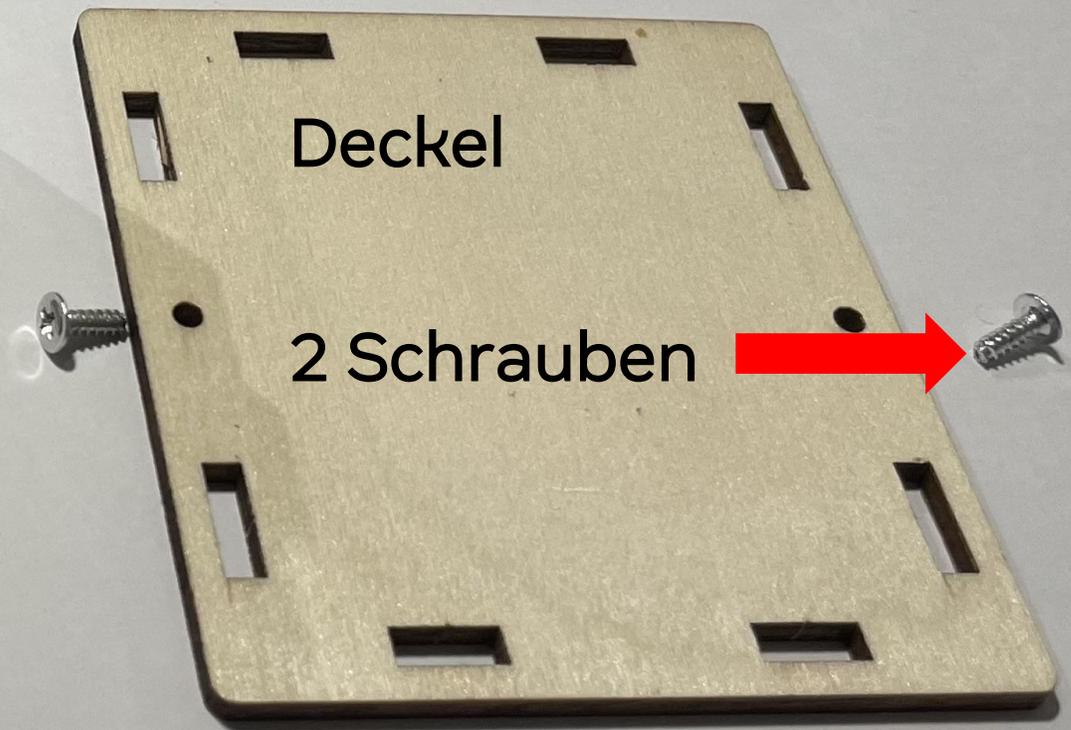

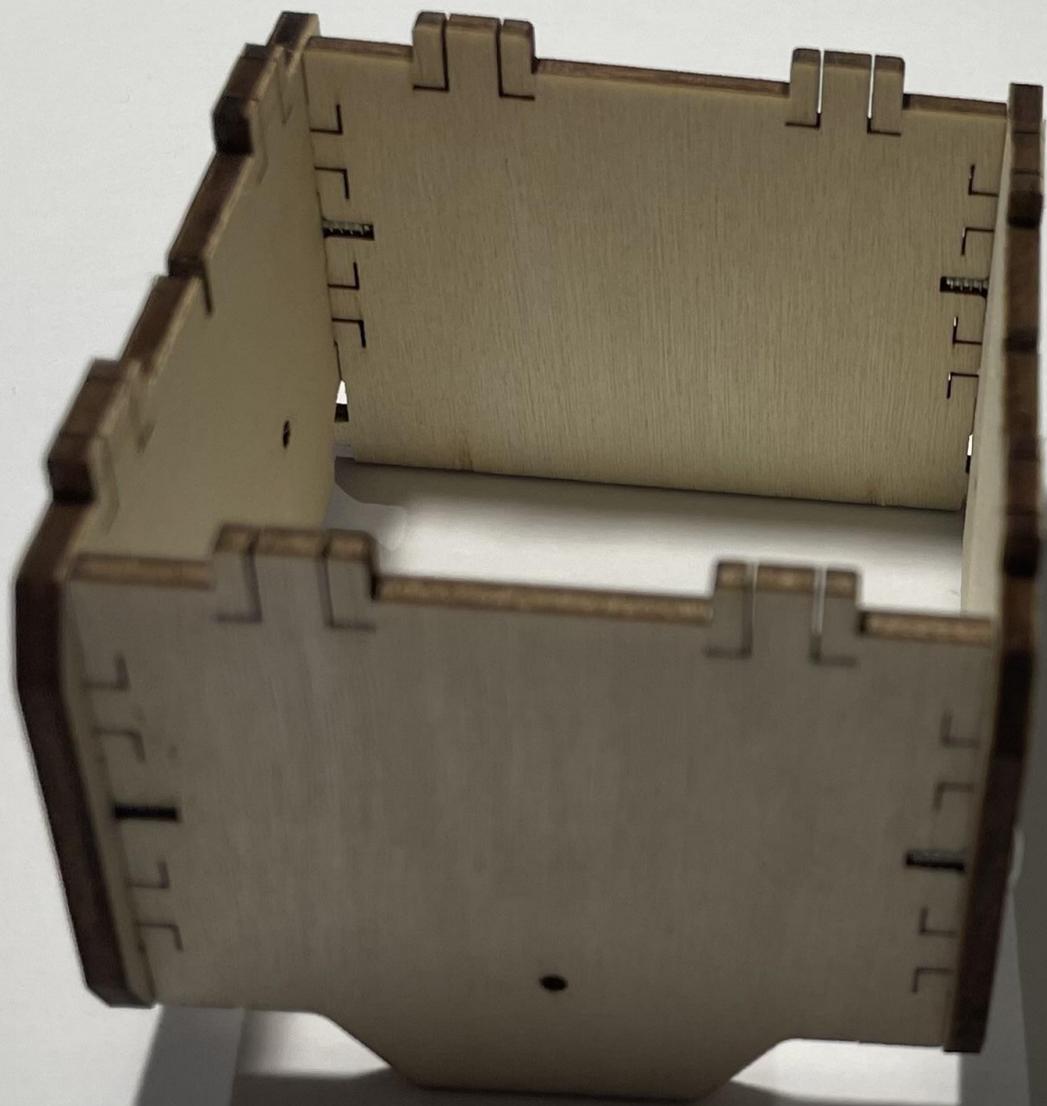

Festschrauben

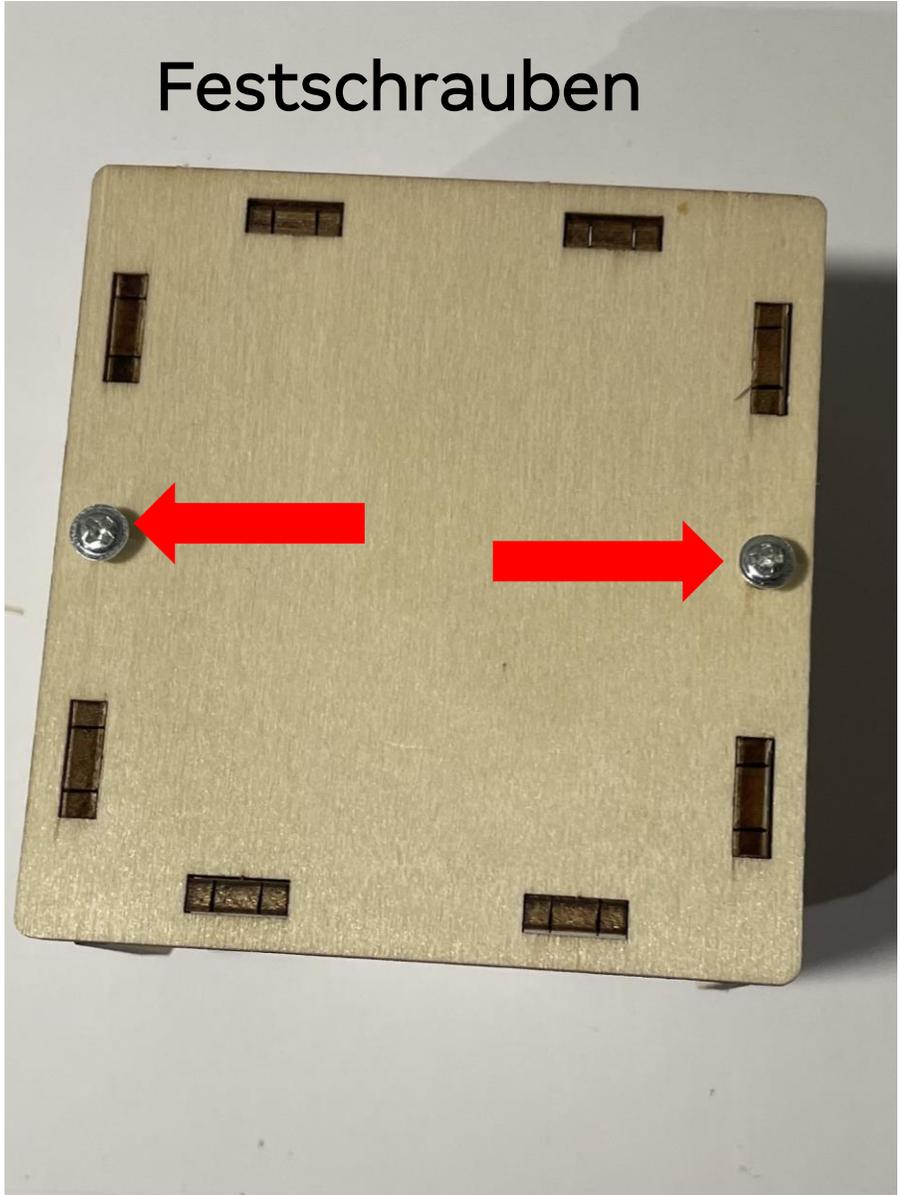

Linke Seite

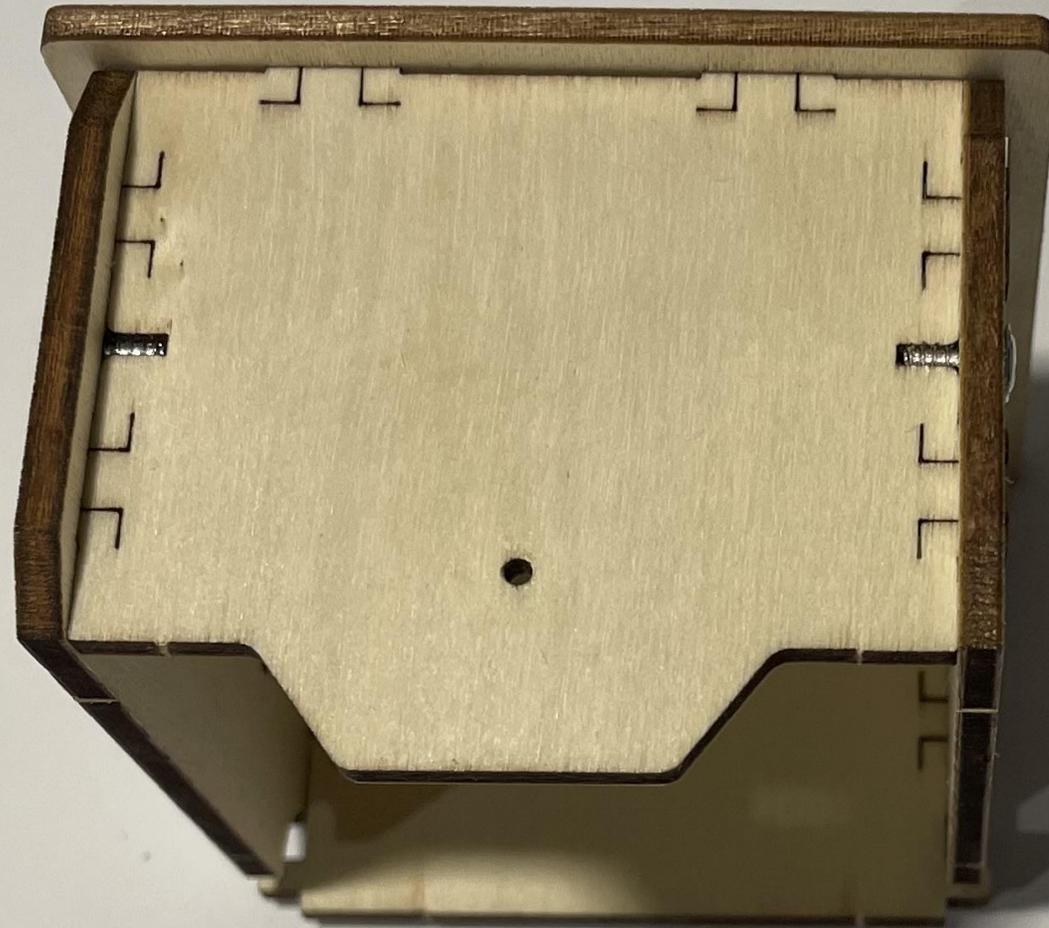

Deckel

2 Schrauben

Jetzt kommt das Gesicht

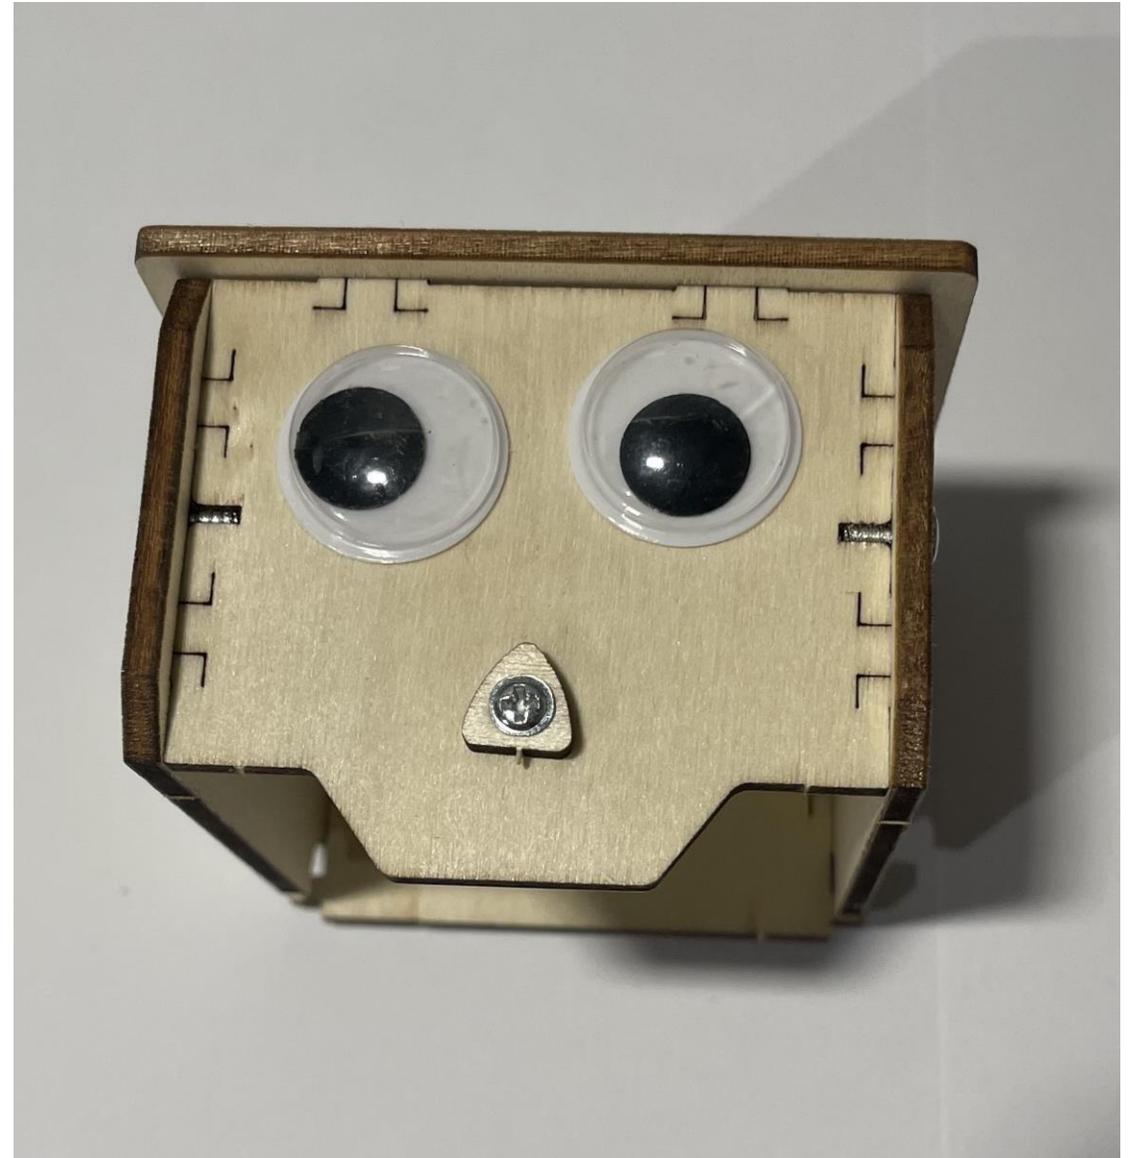

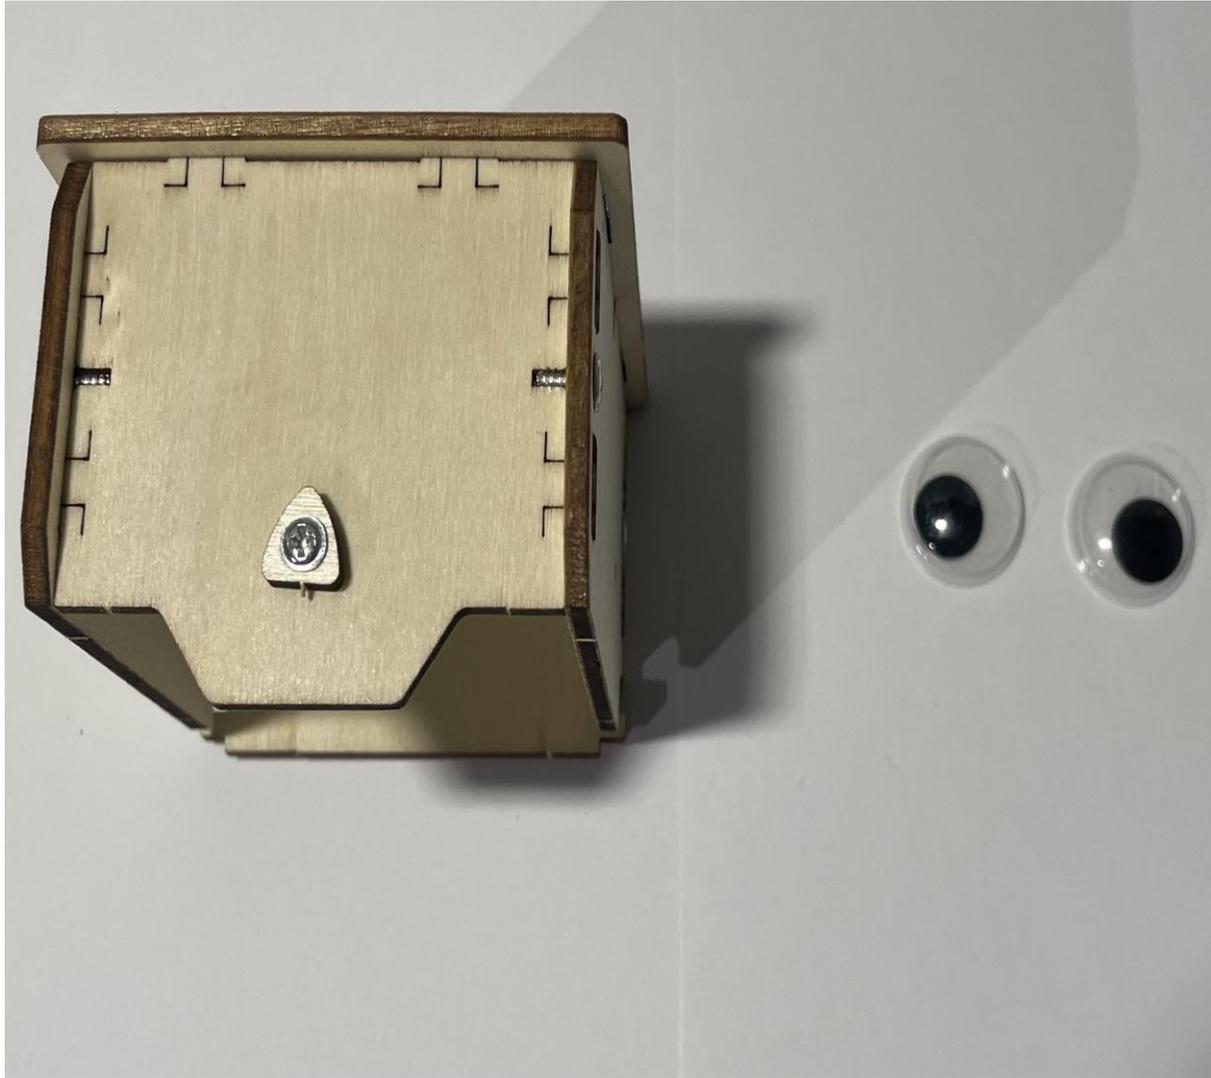

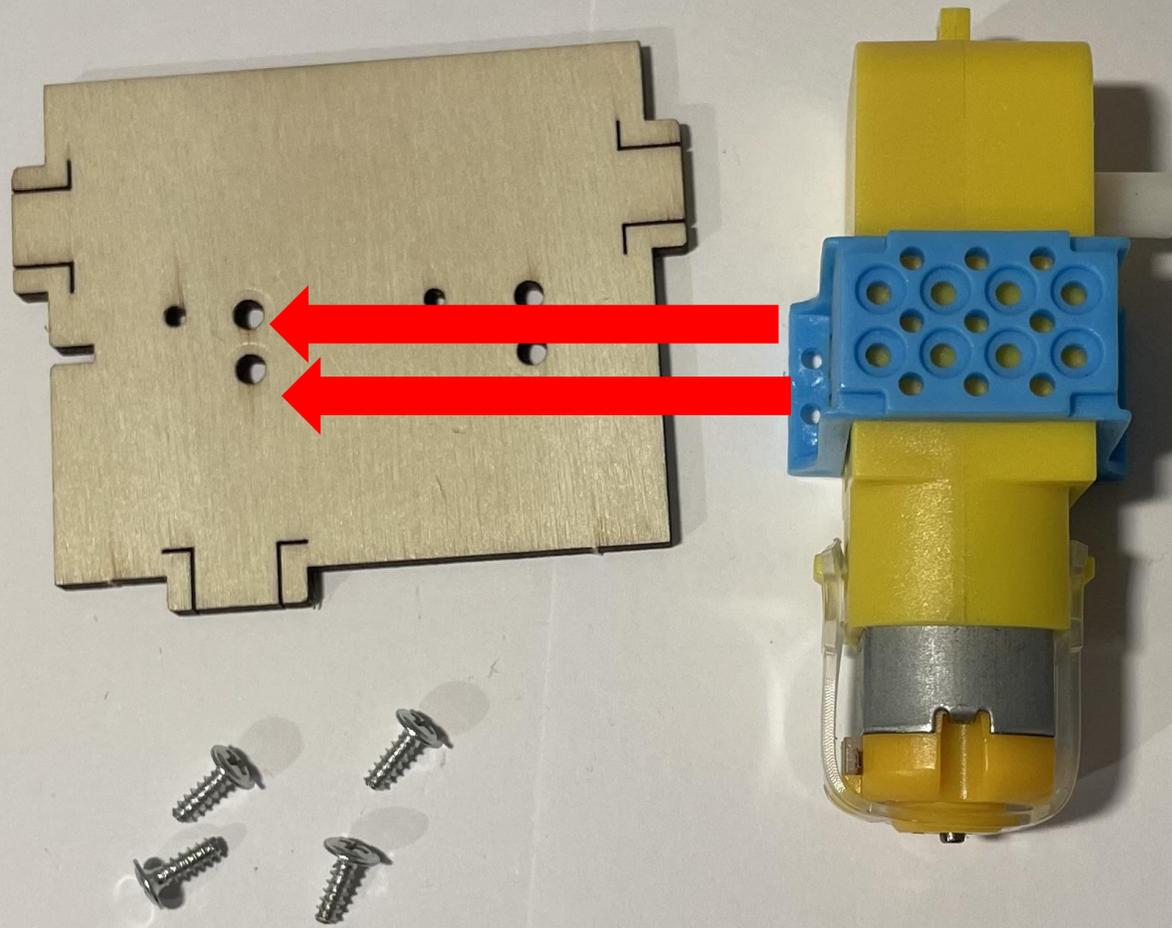

Nase

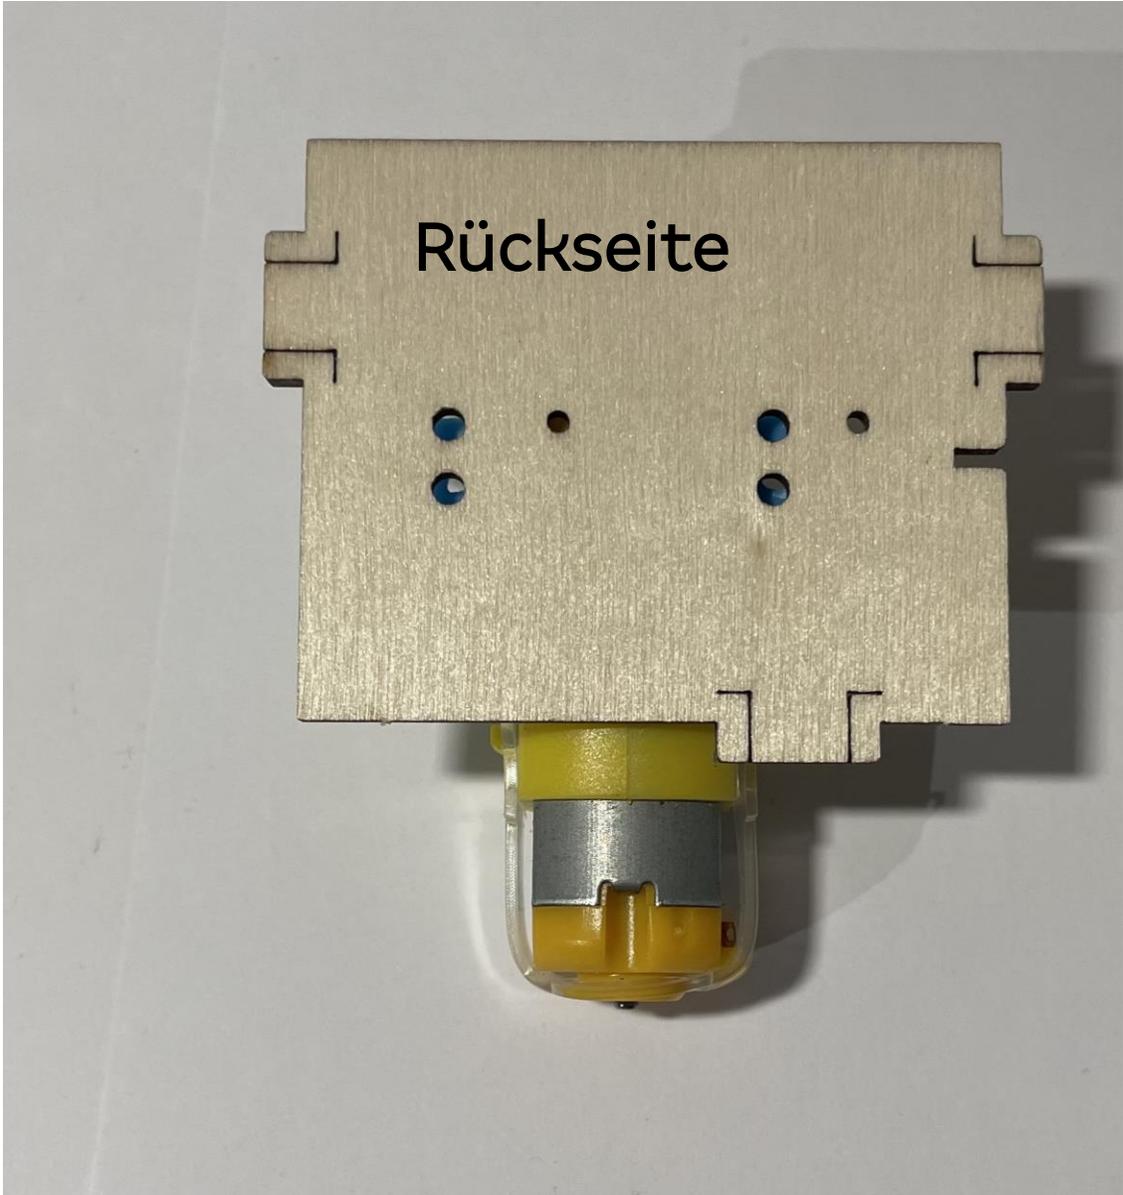

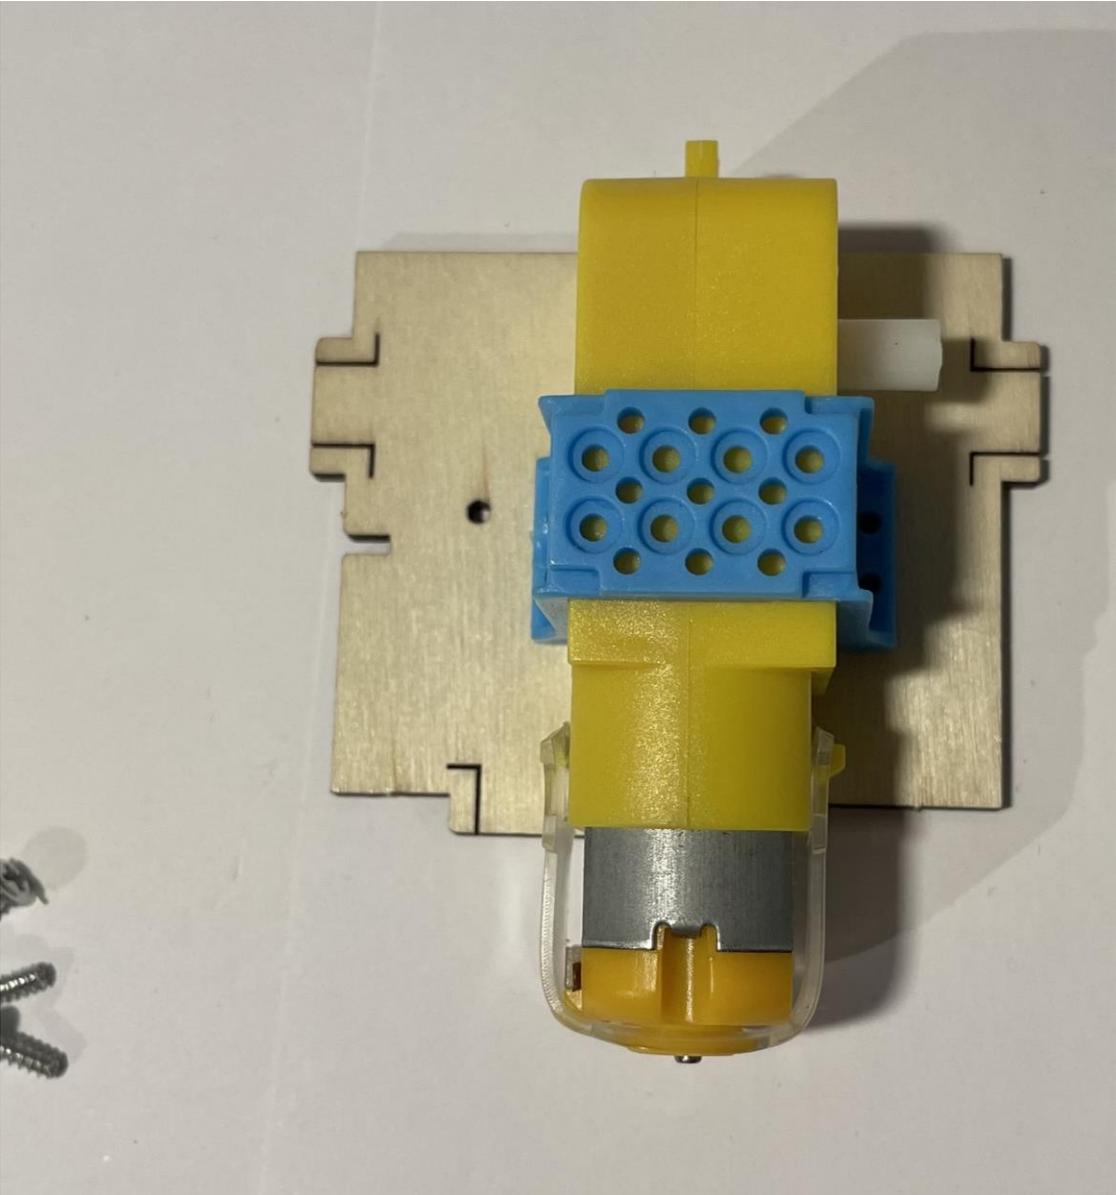

Und die Augen aufkleben

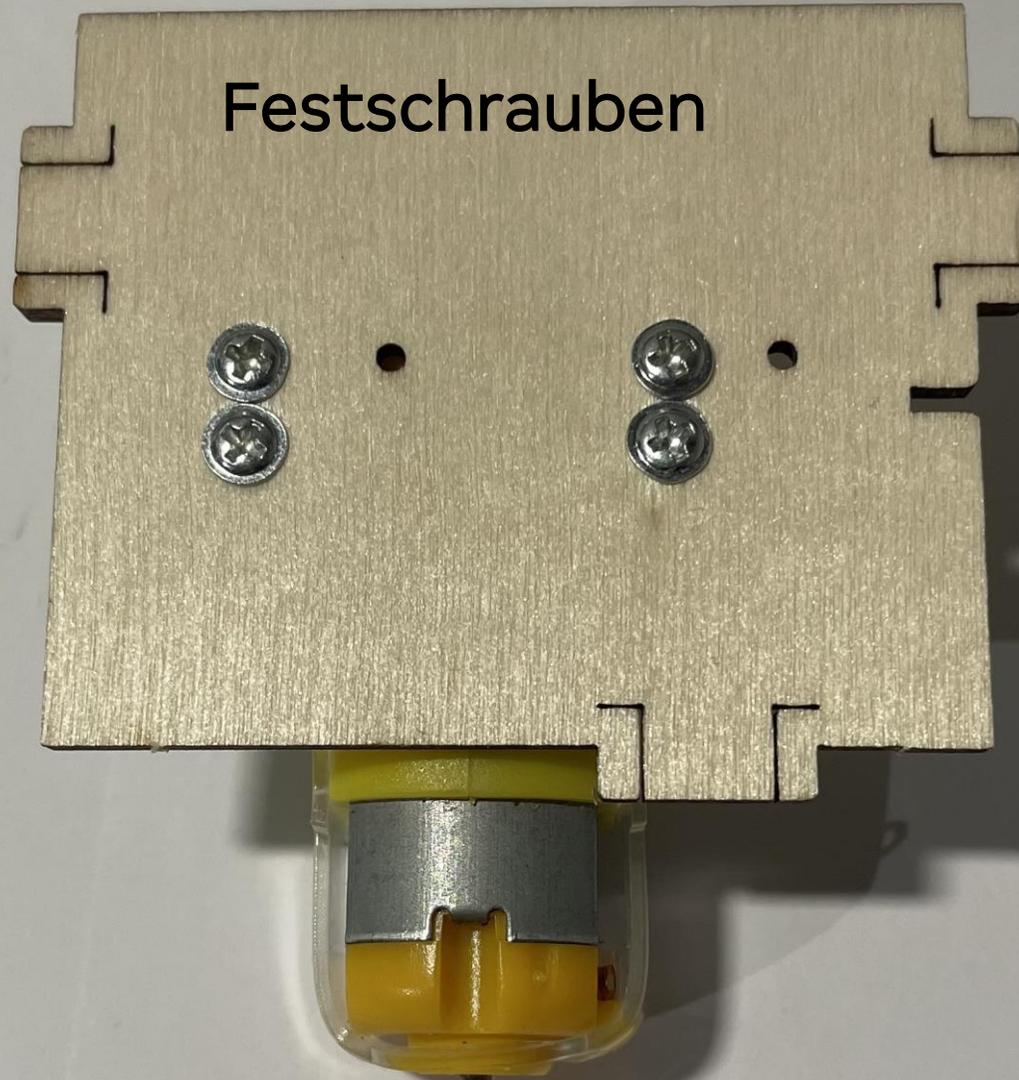

4 Schrauben

Umdrehen

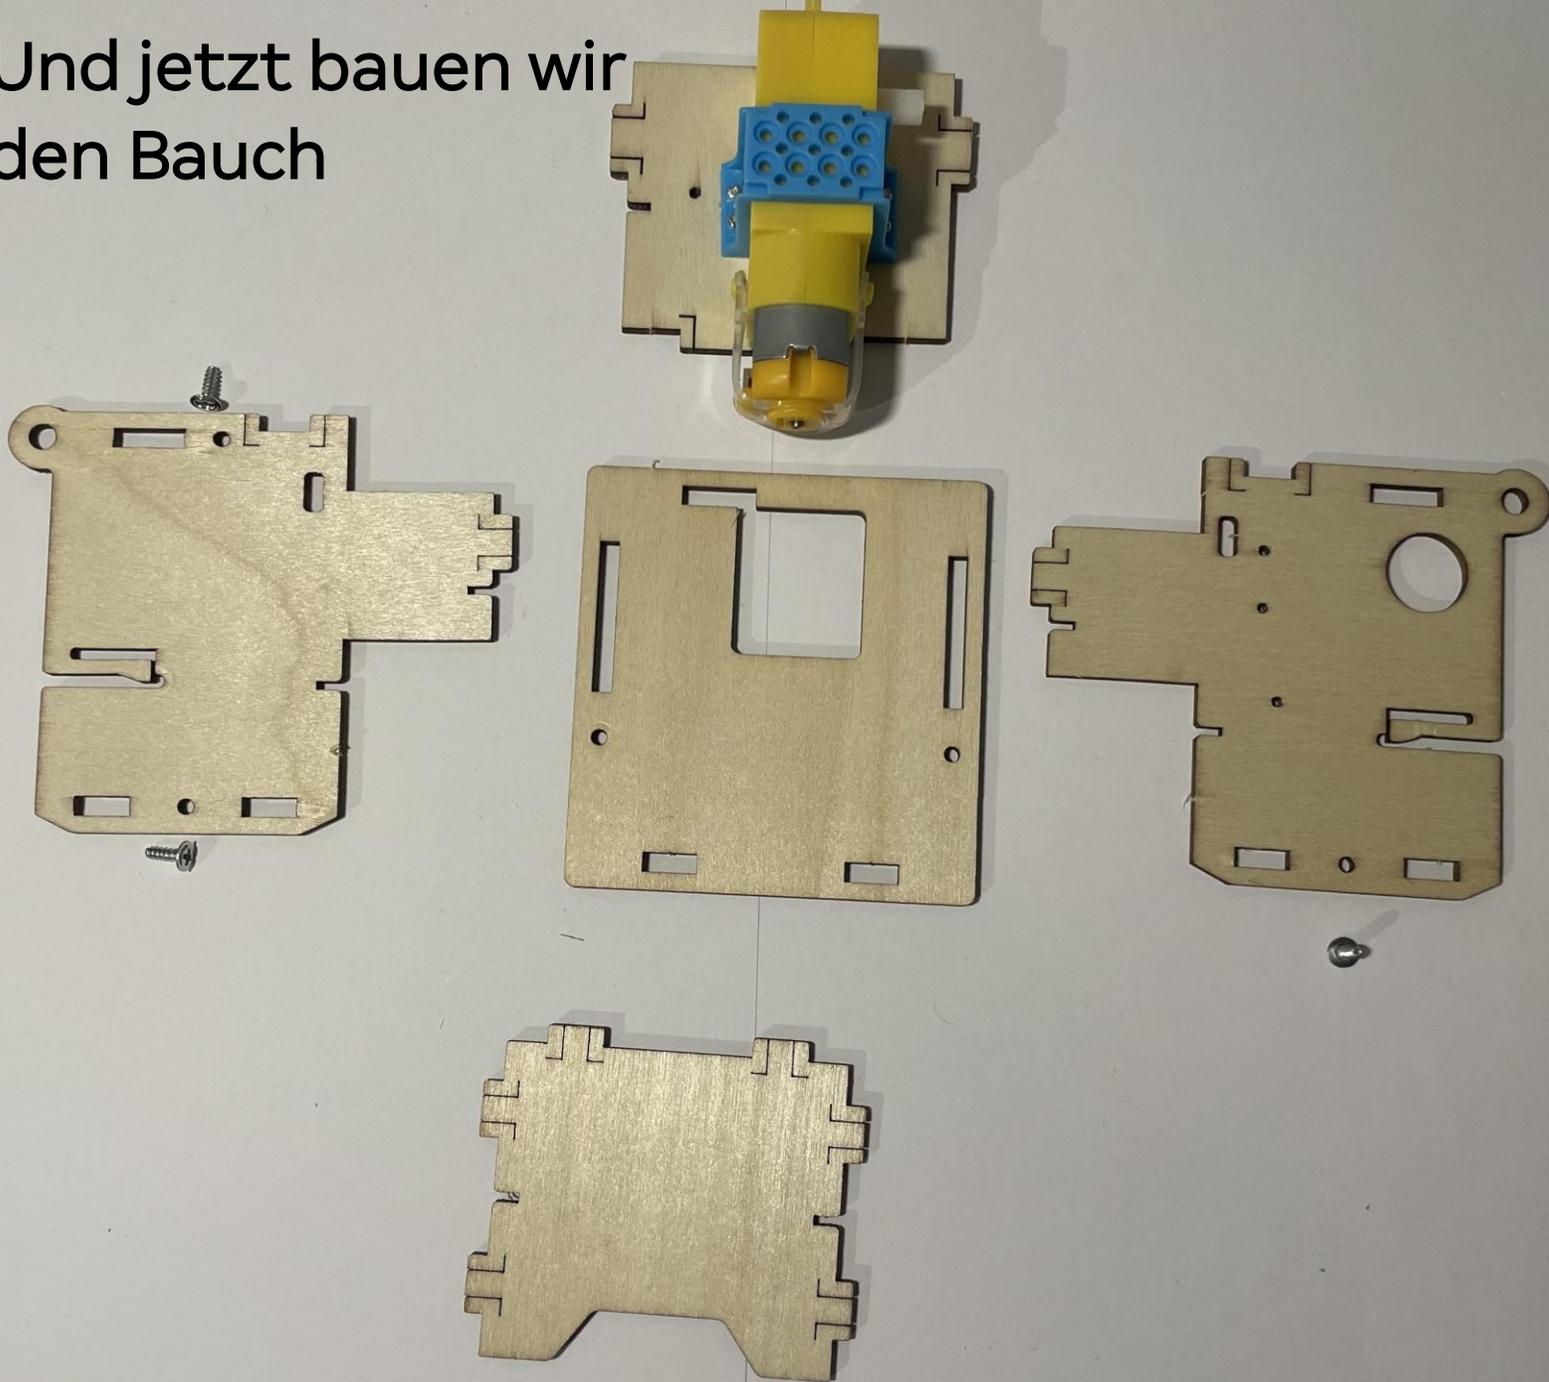

Festschrauben

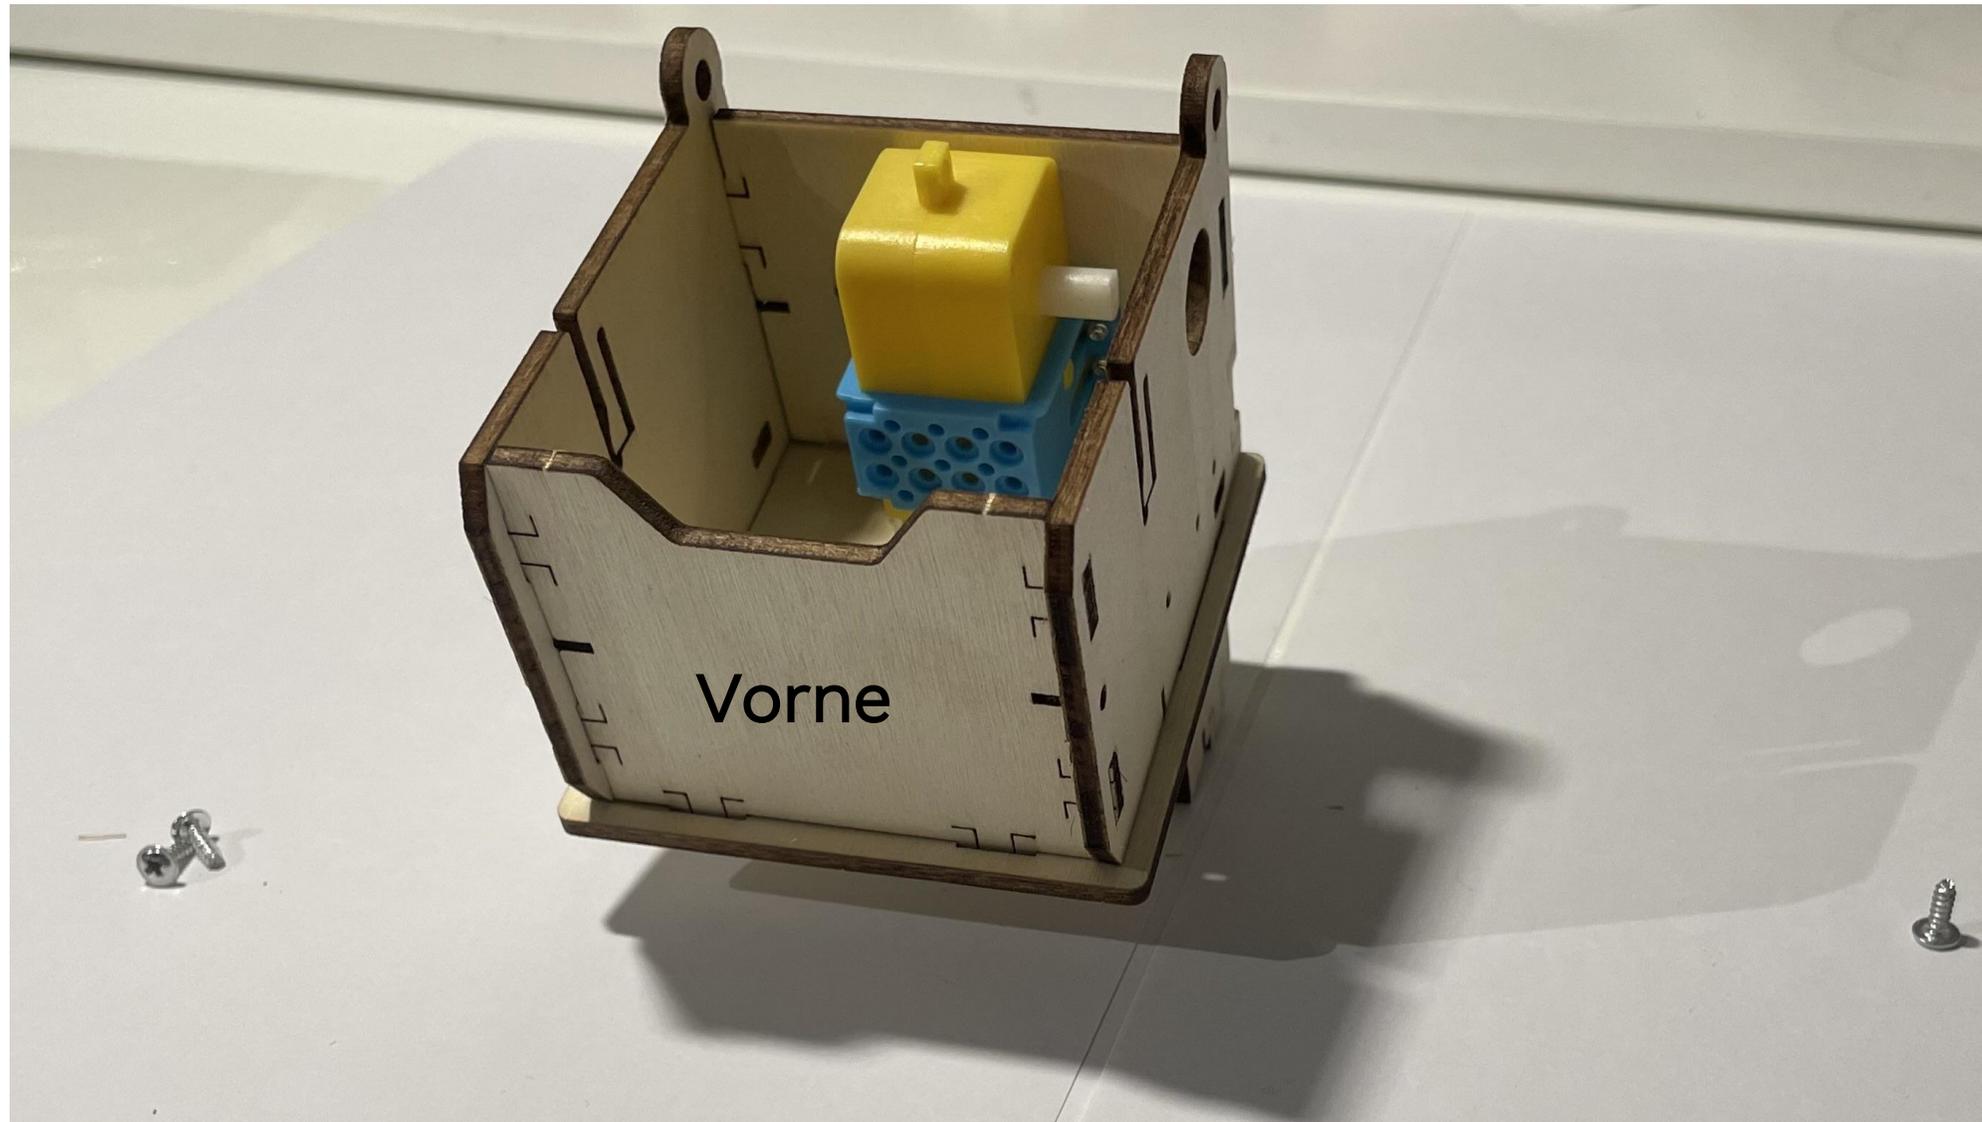

Insgesamt 5
Schrauben

Und jetzt bauen wir
den Bauch

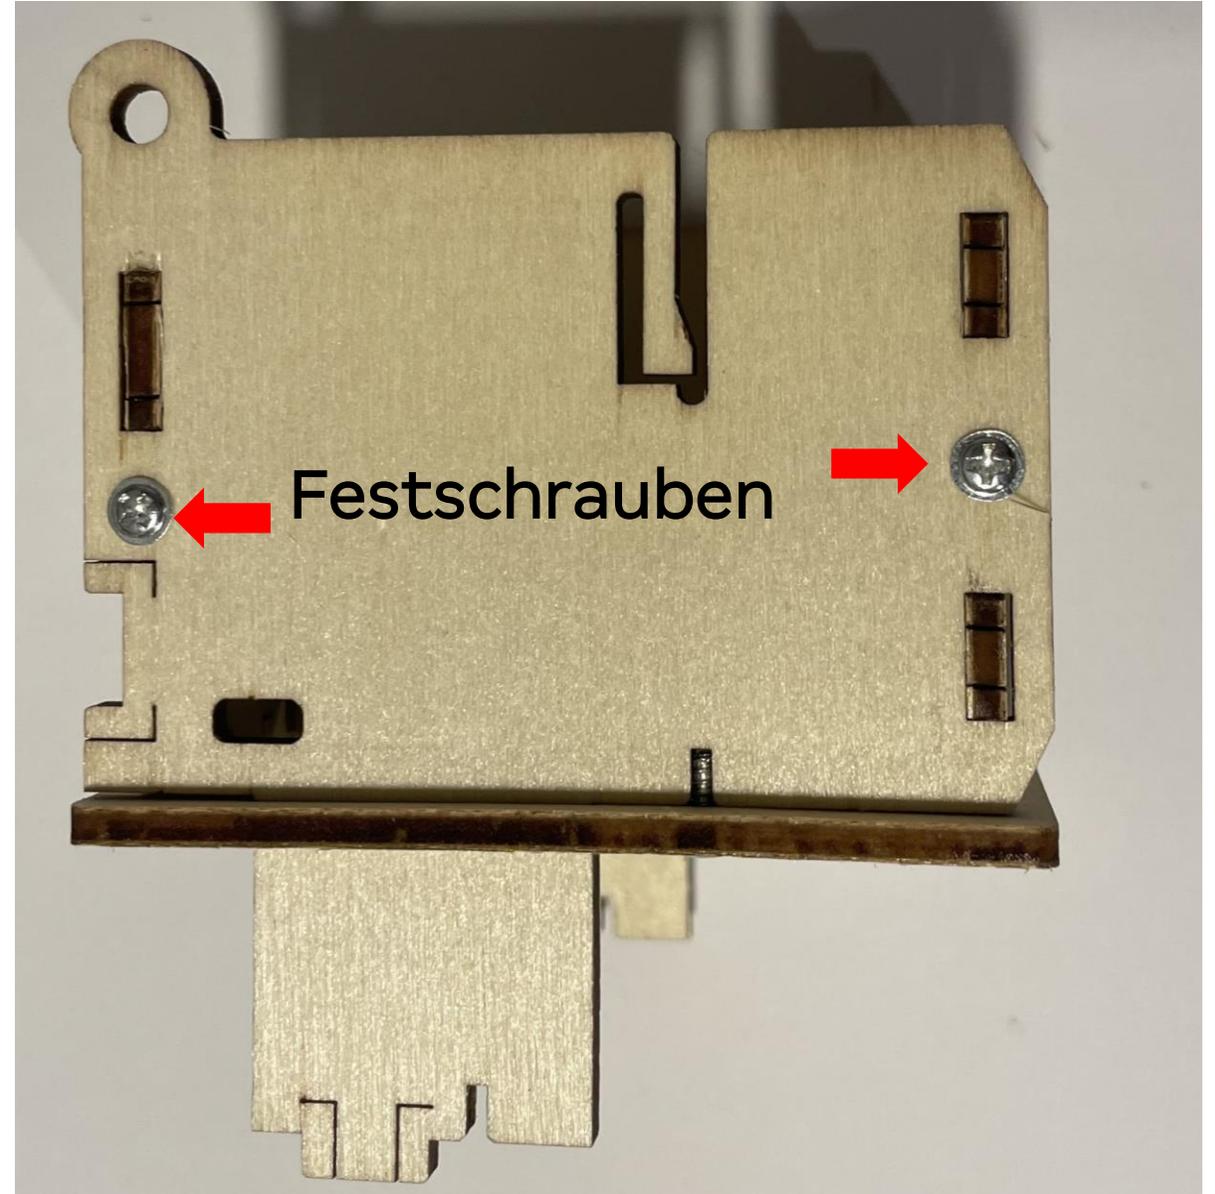

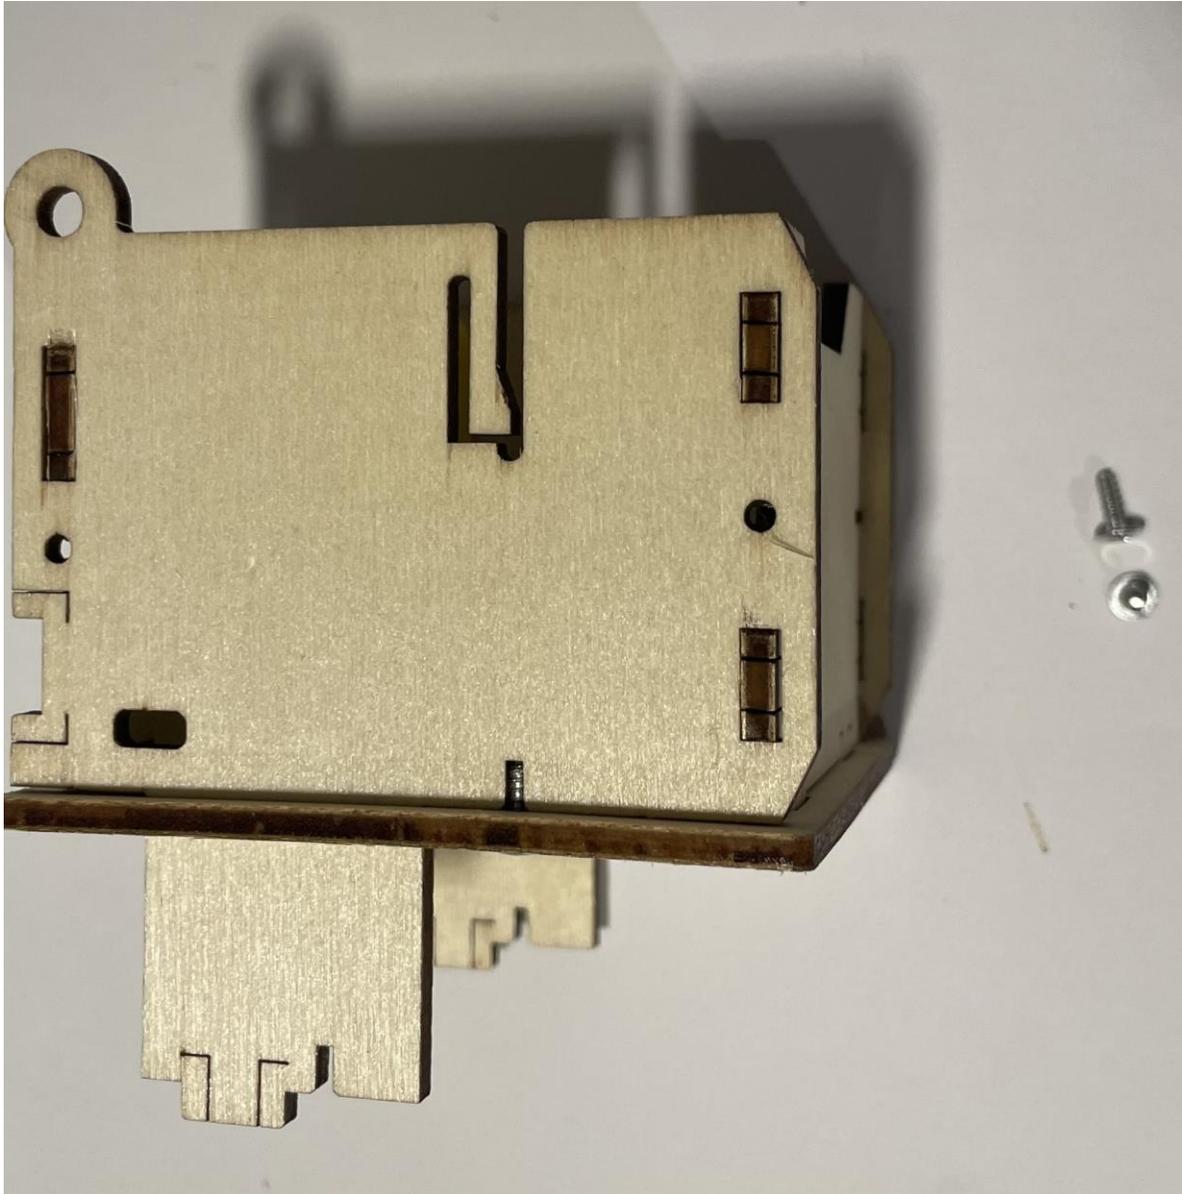

Zusammenstecken

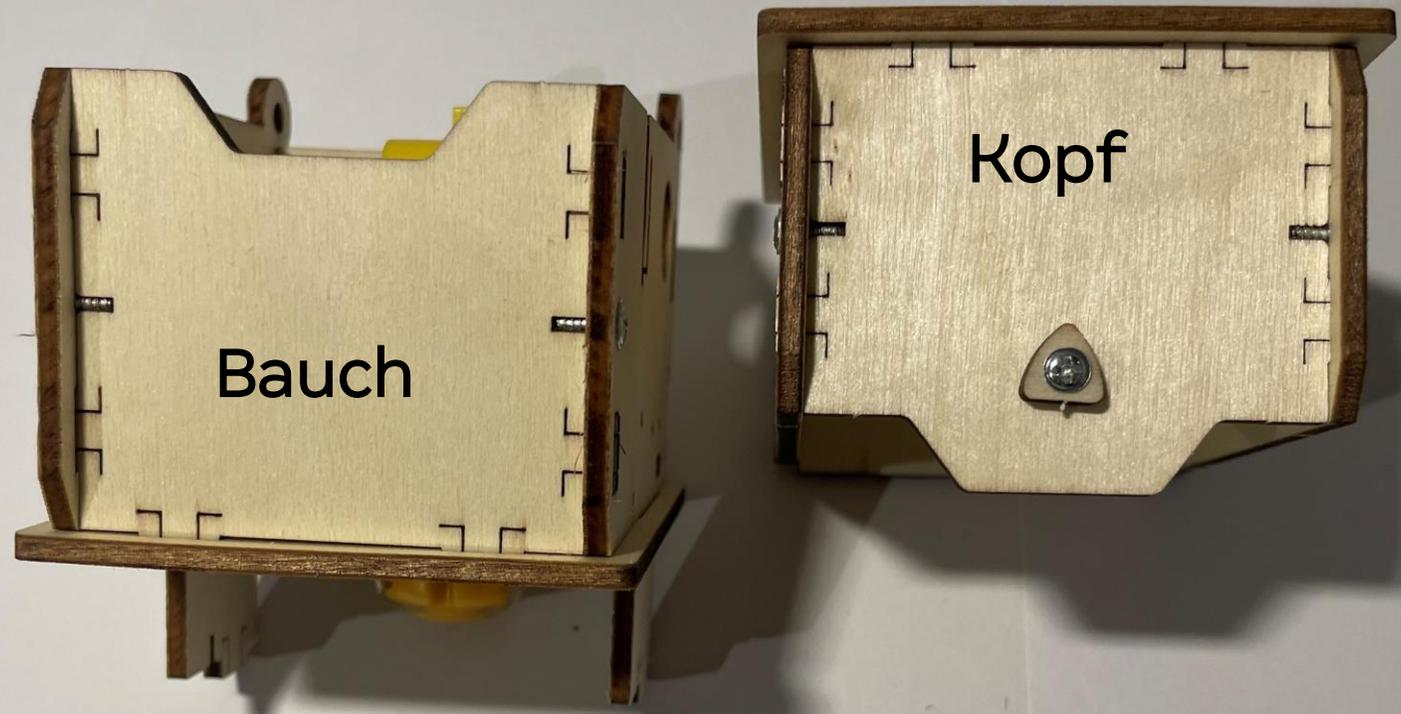

Linke Seite

Rechte Seite

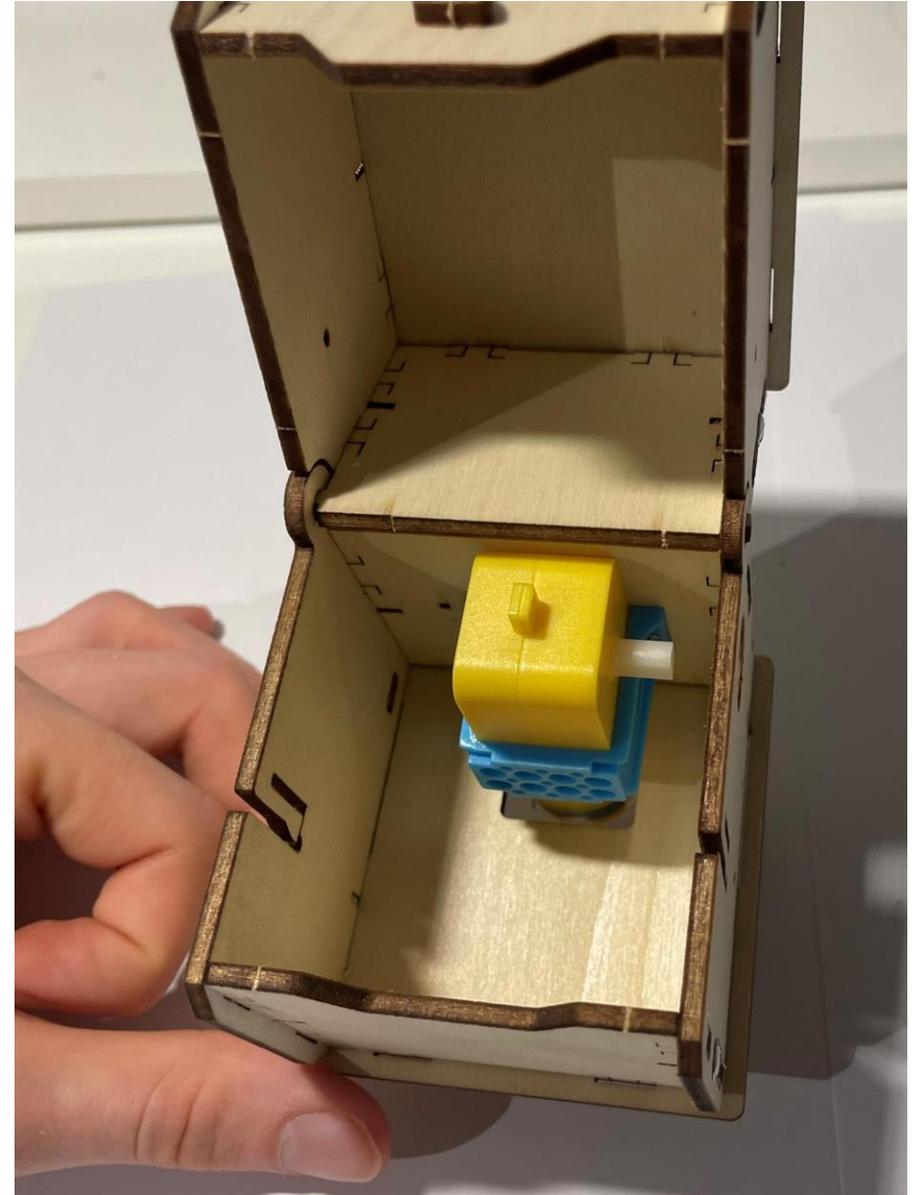

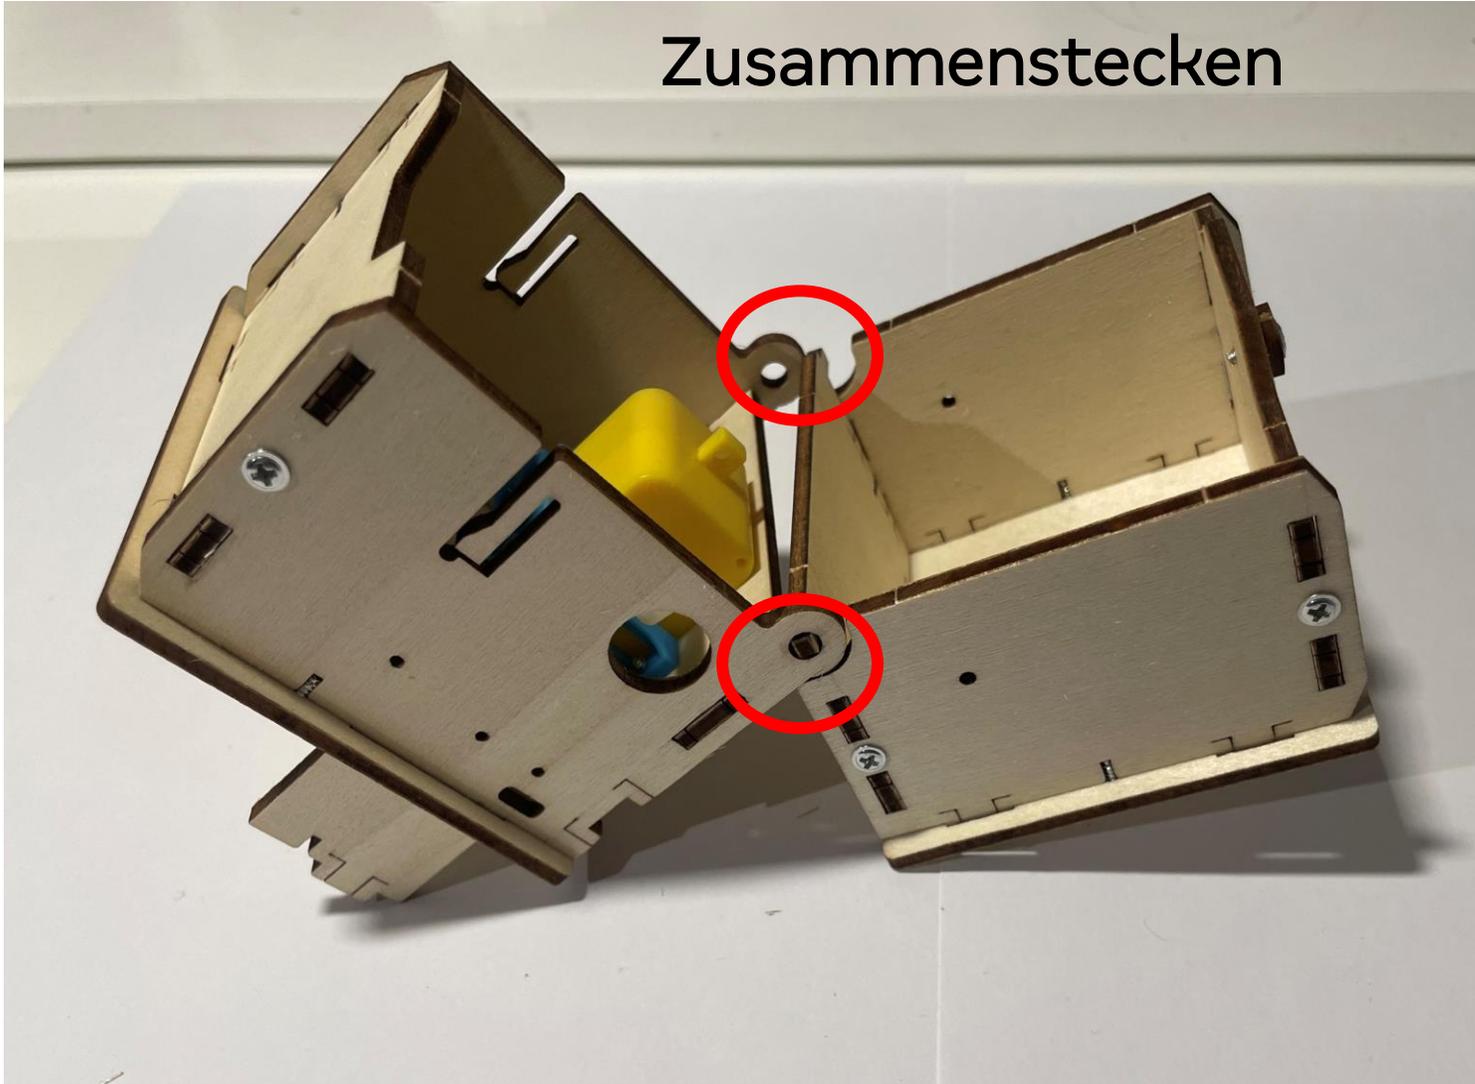

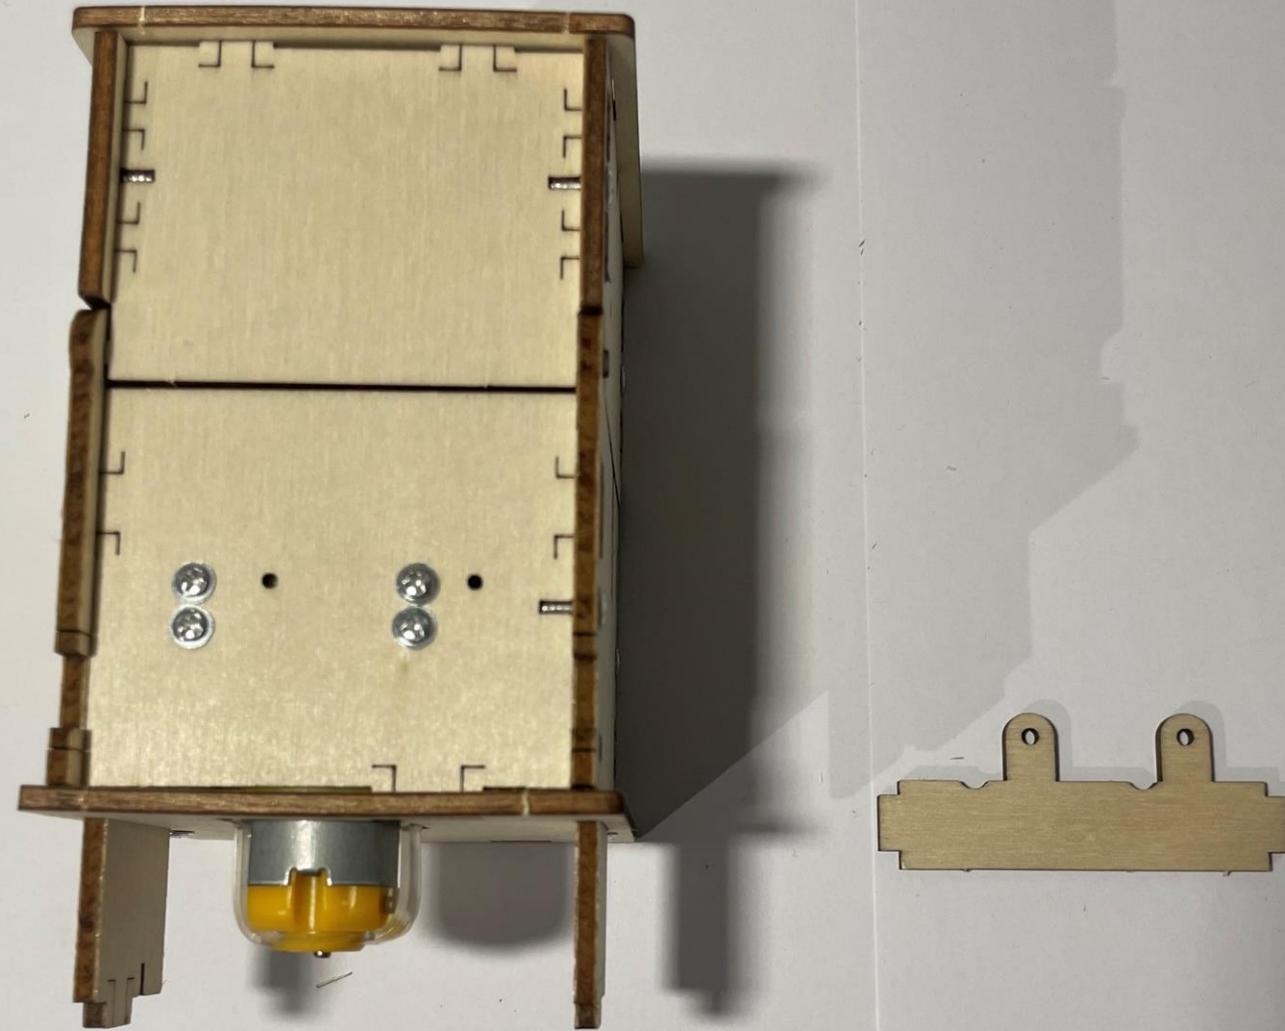

Bauch

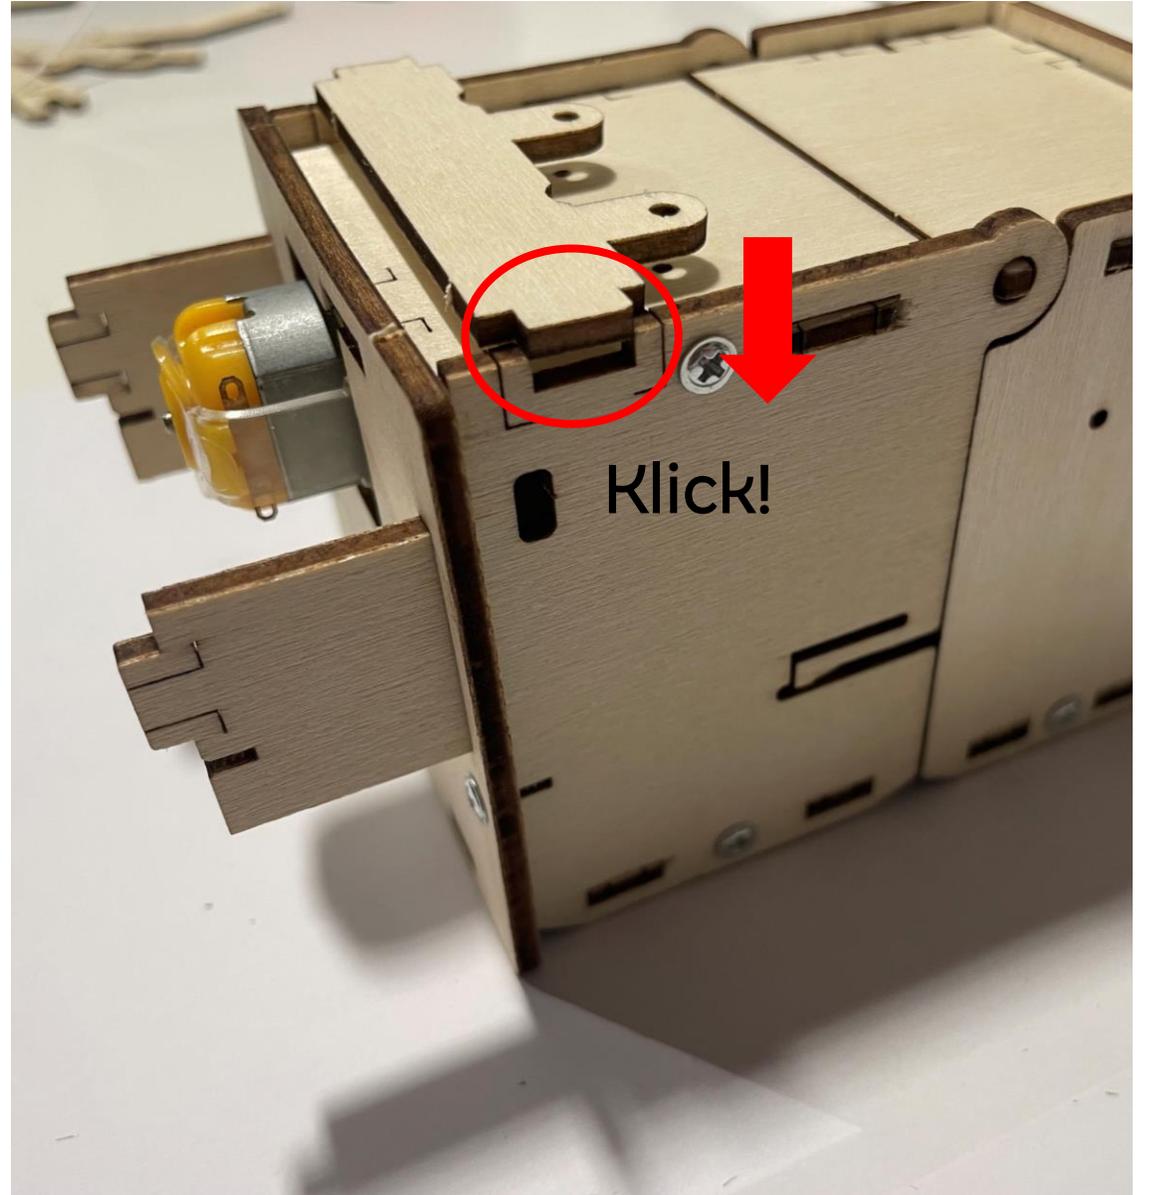

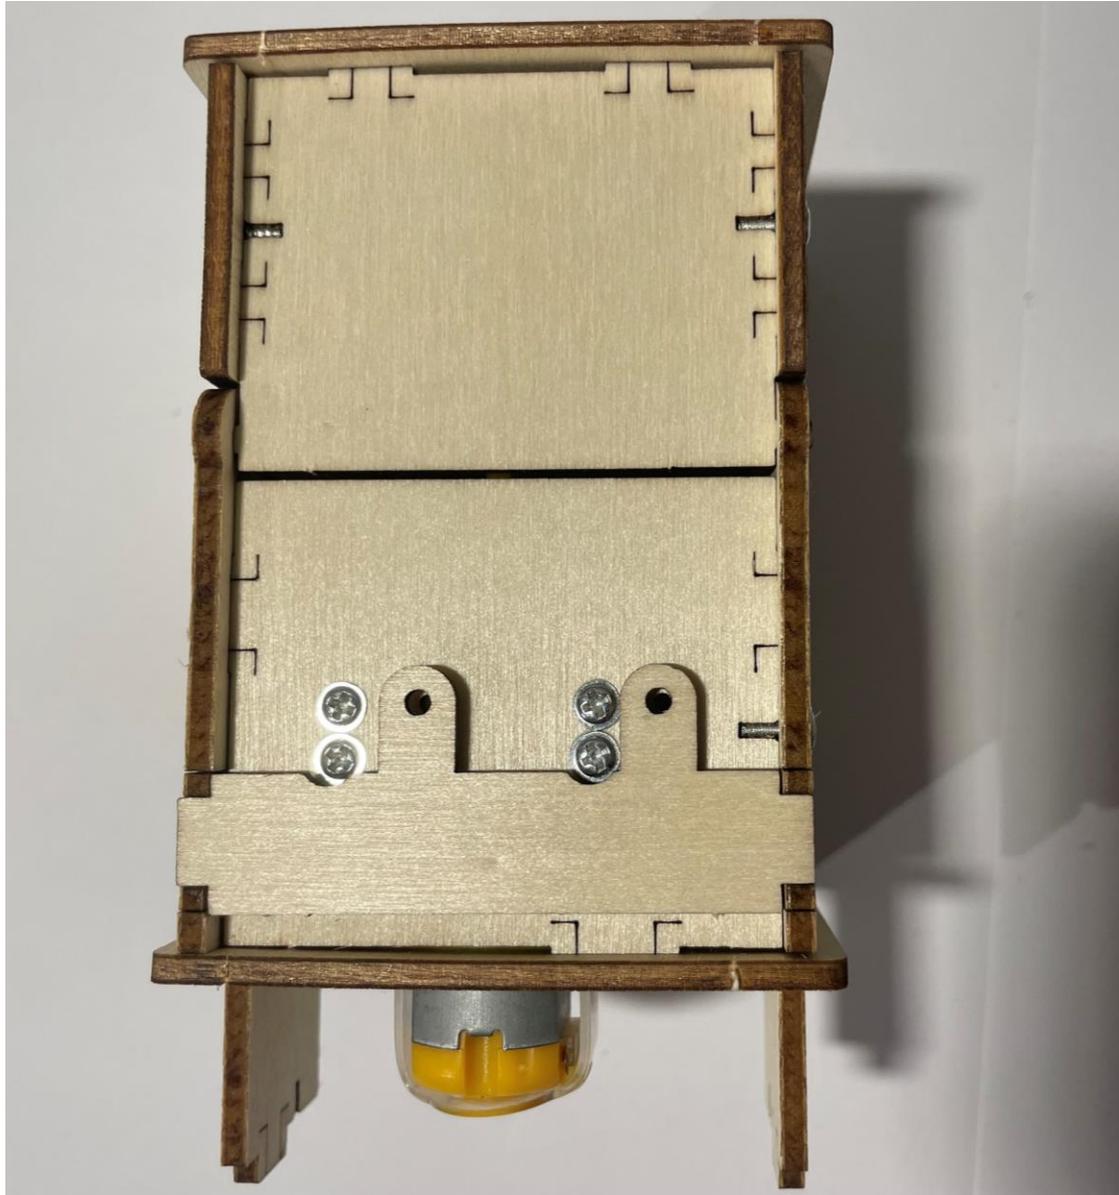

Kopf

Zusammenstecken

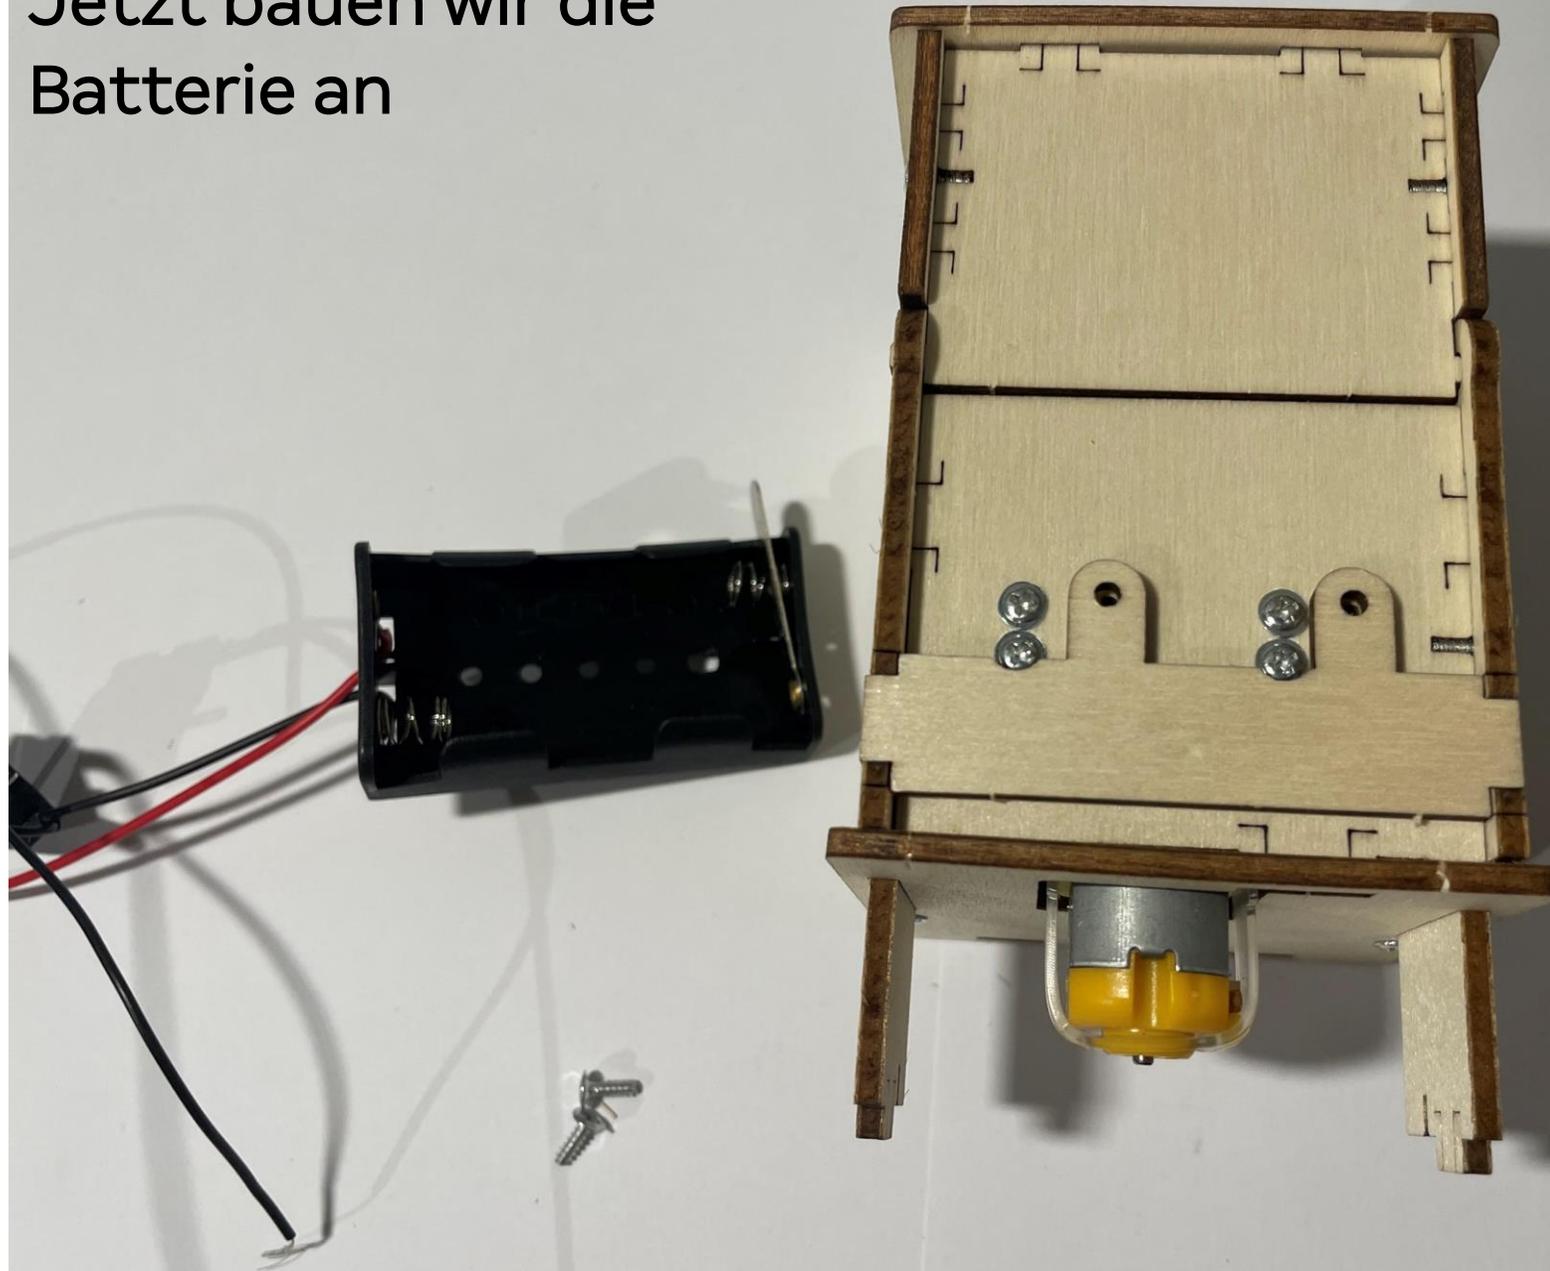

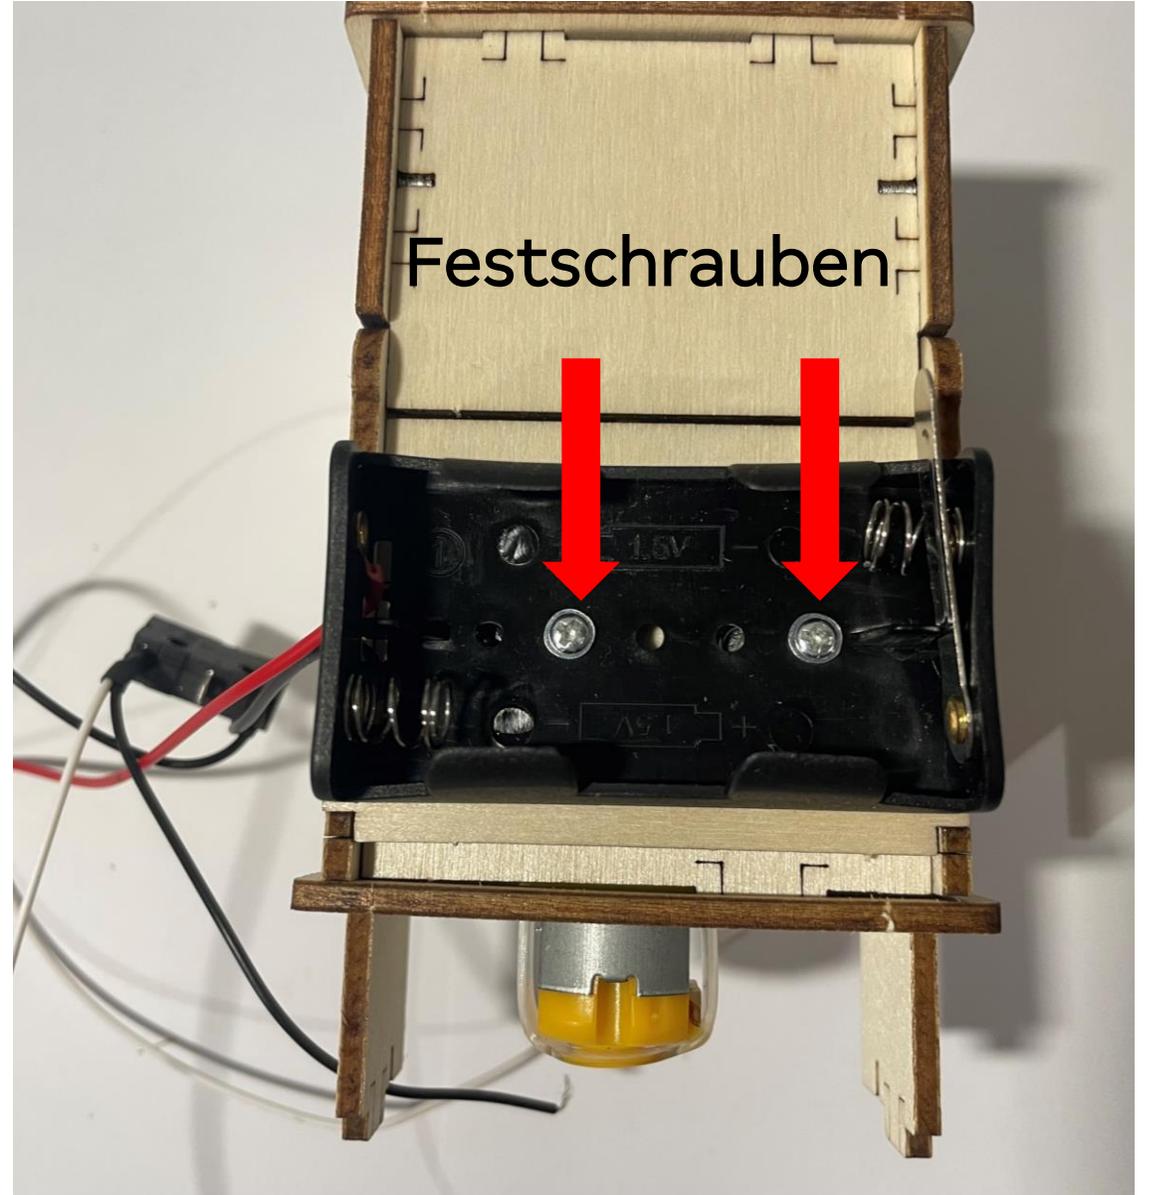

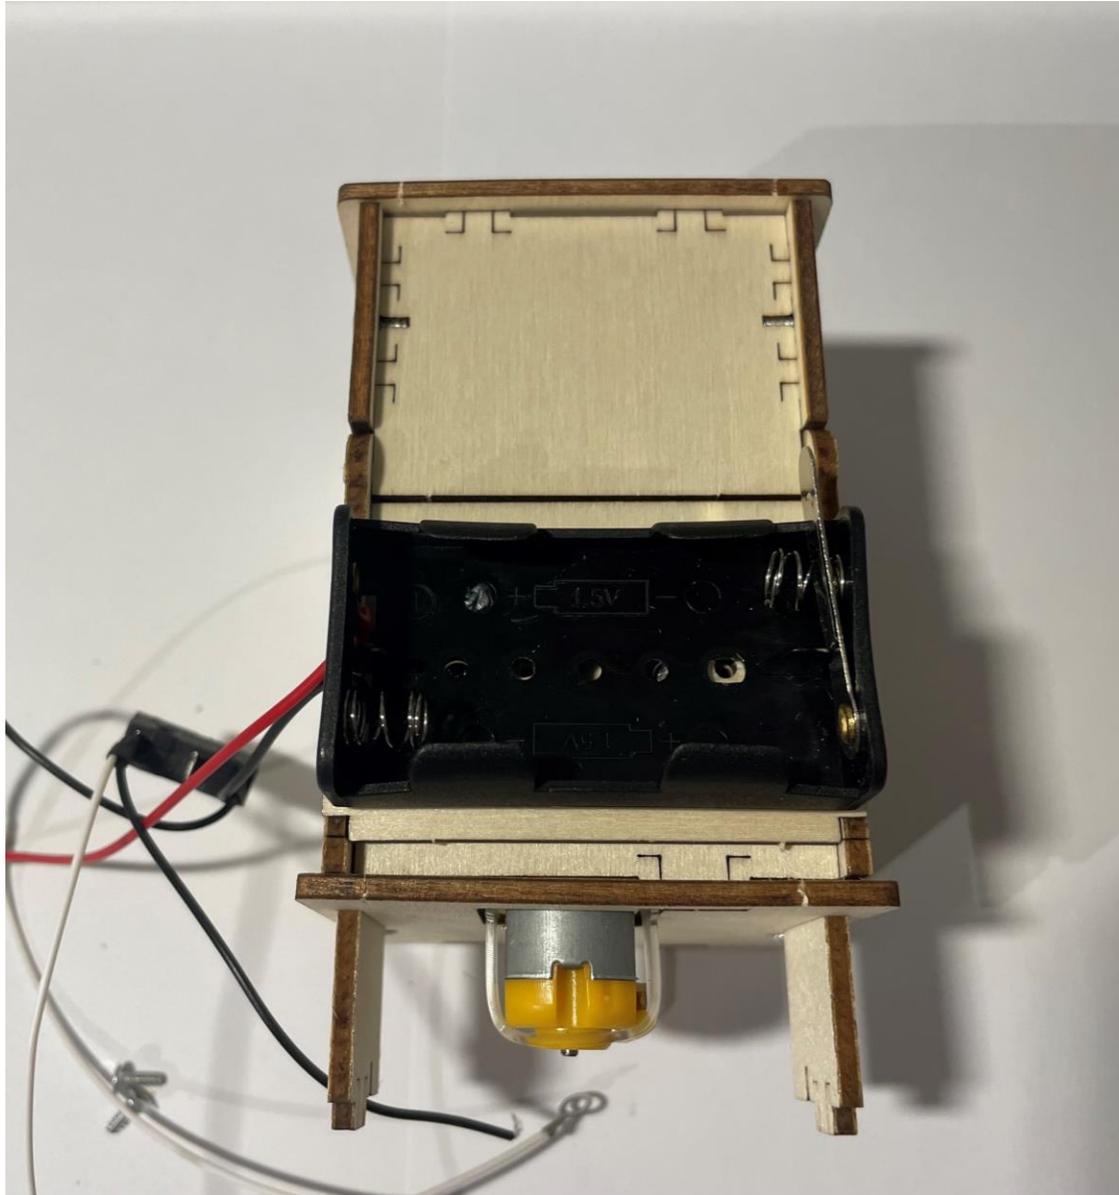

Rückseite

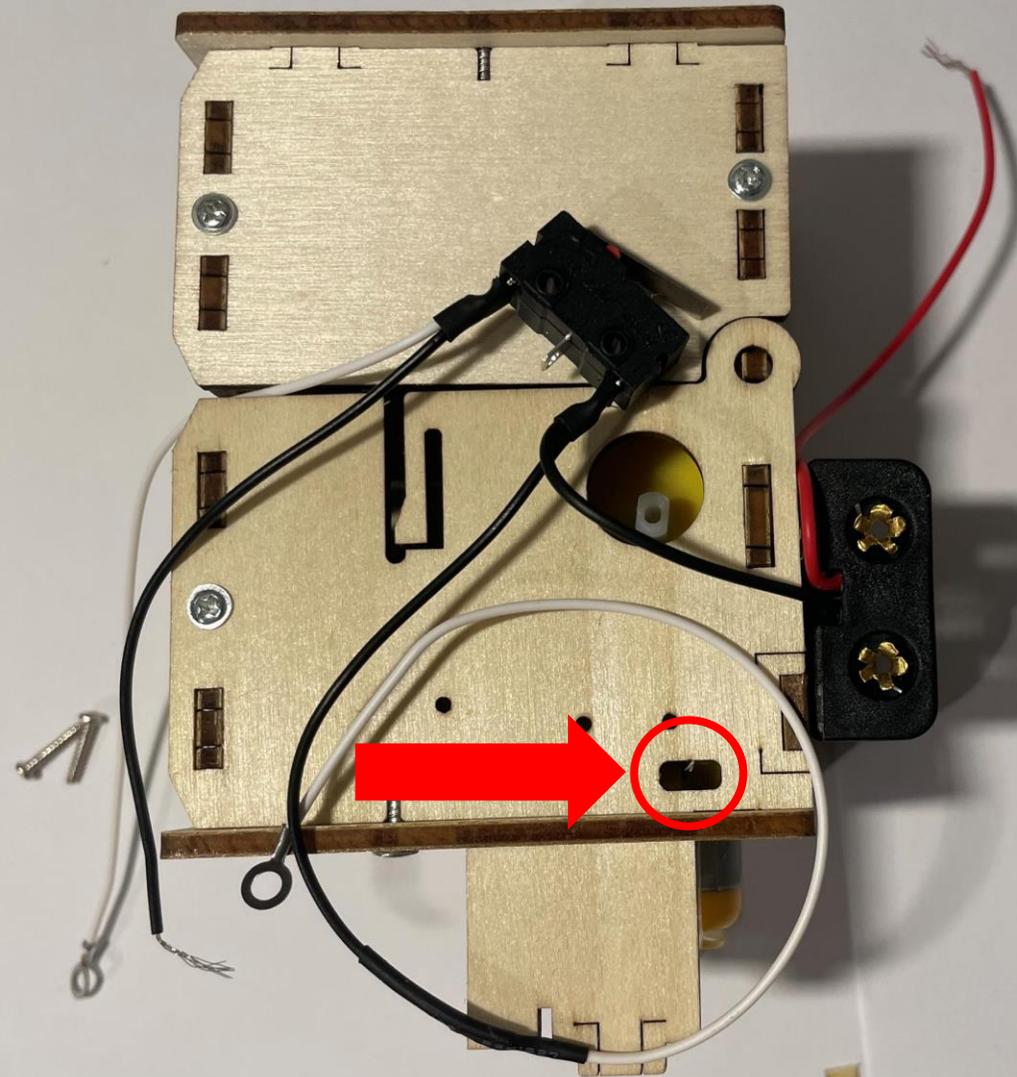

Jetzt bauen wir die
Batterie an

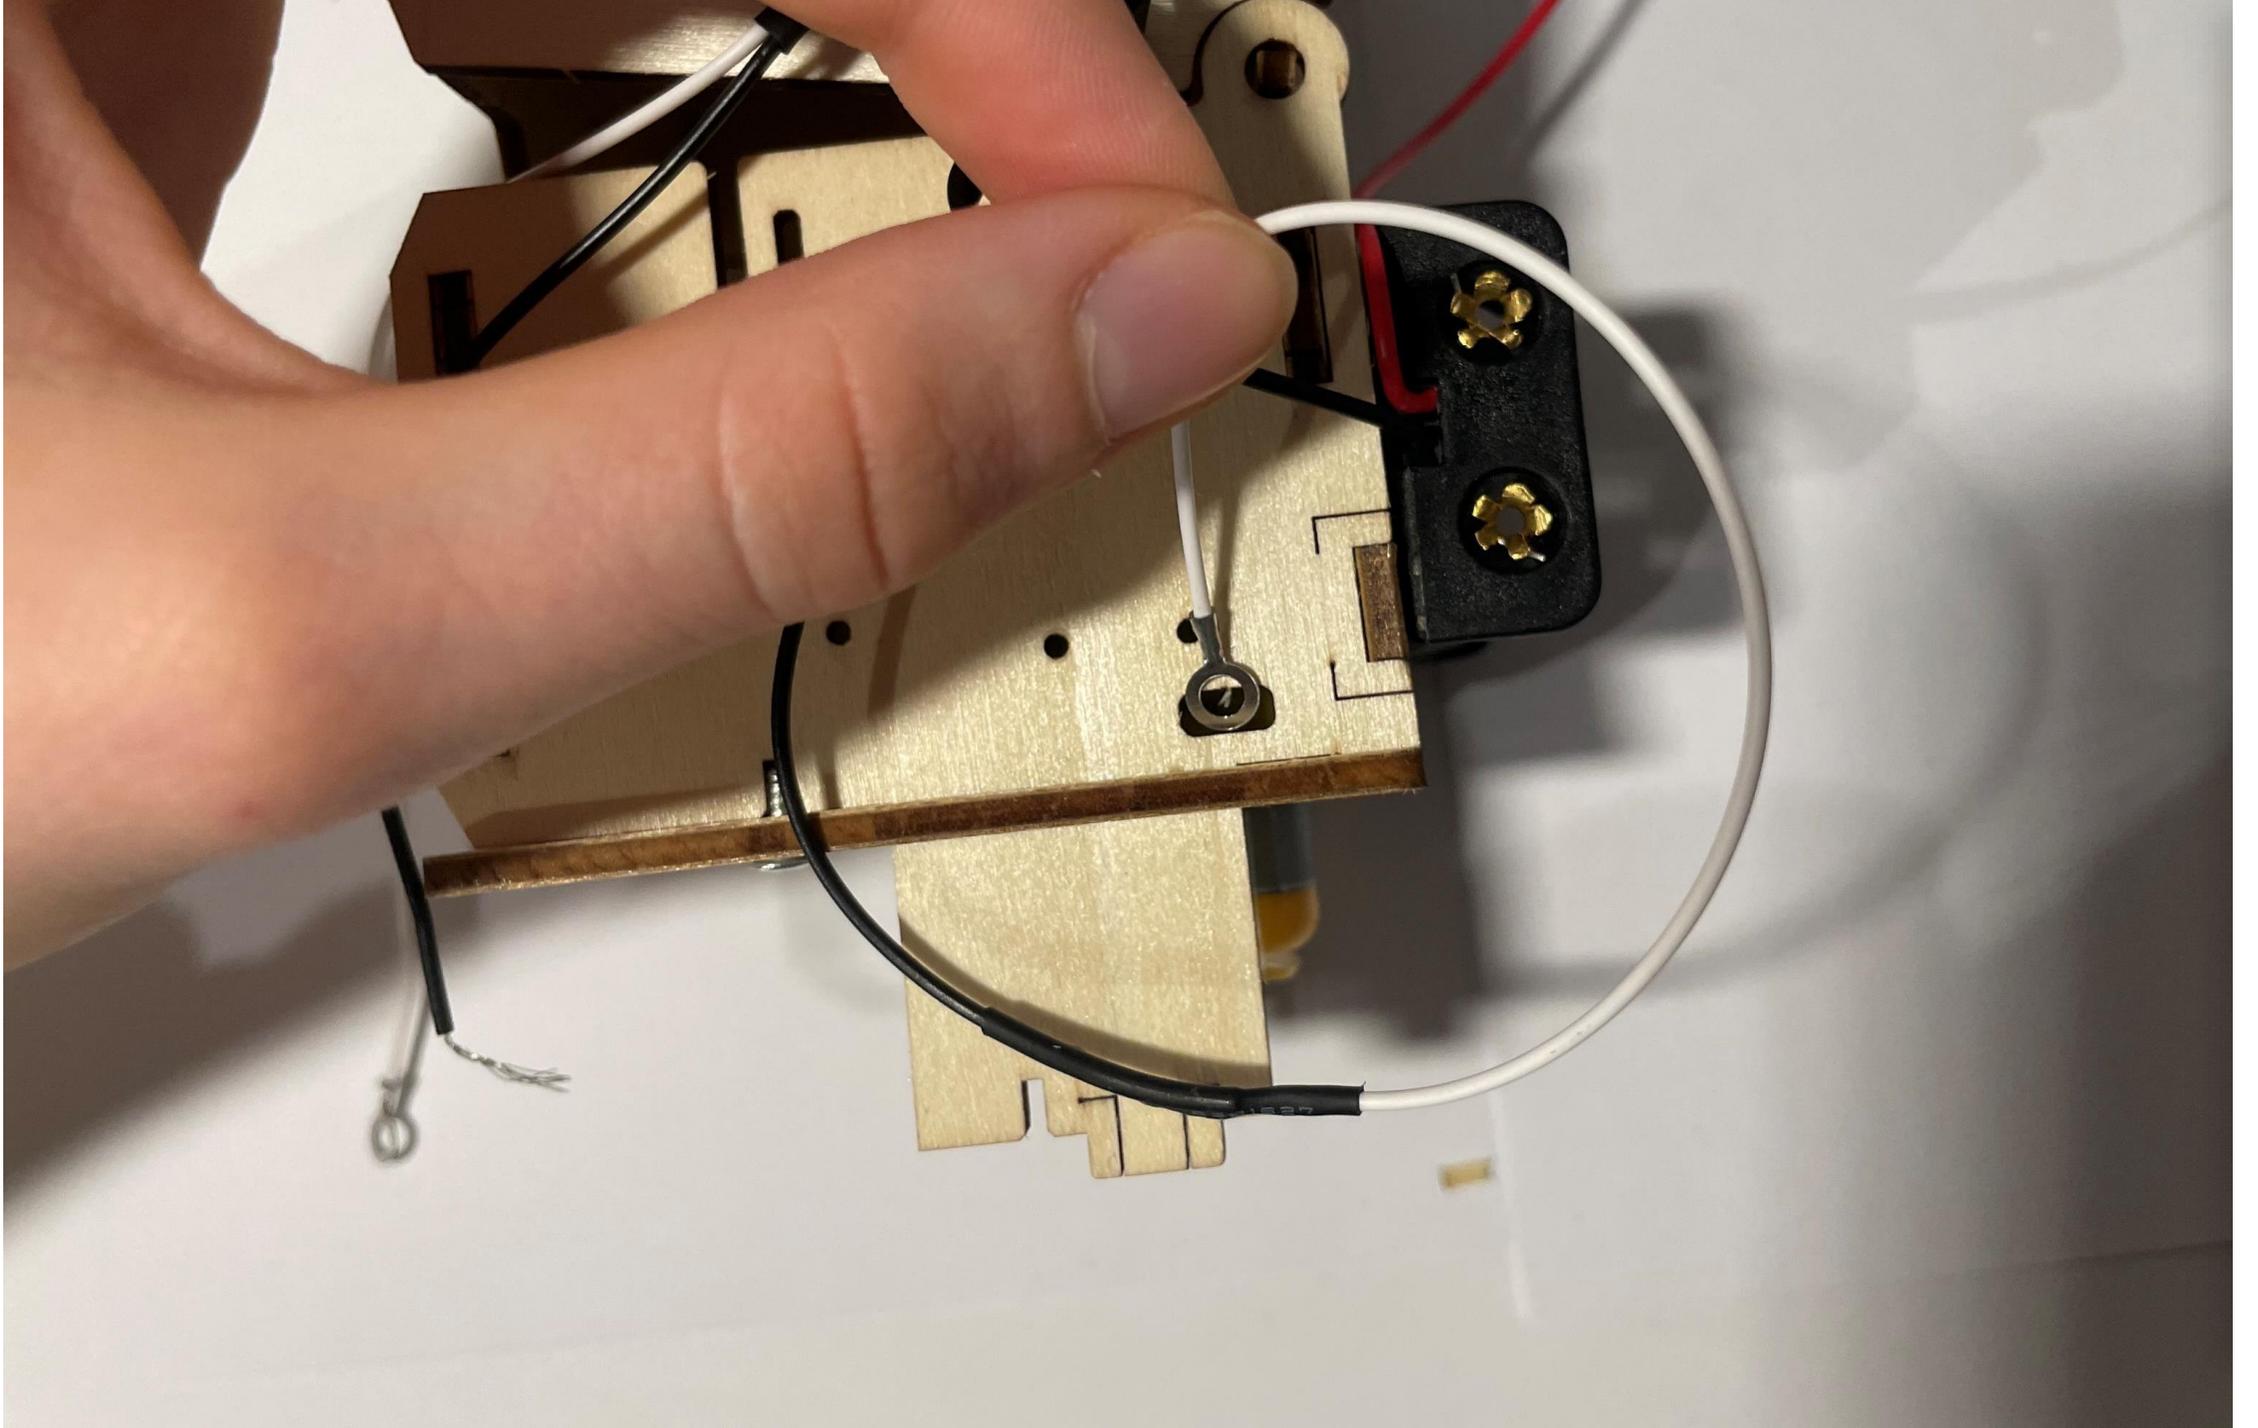

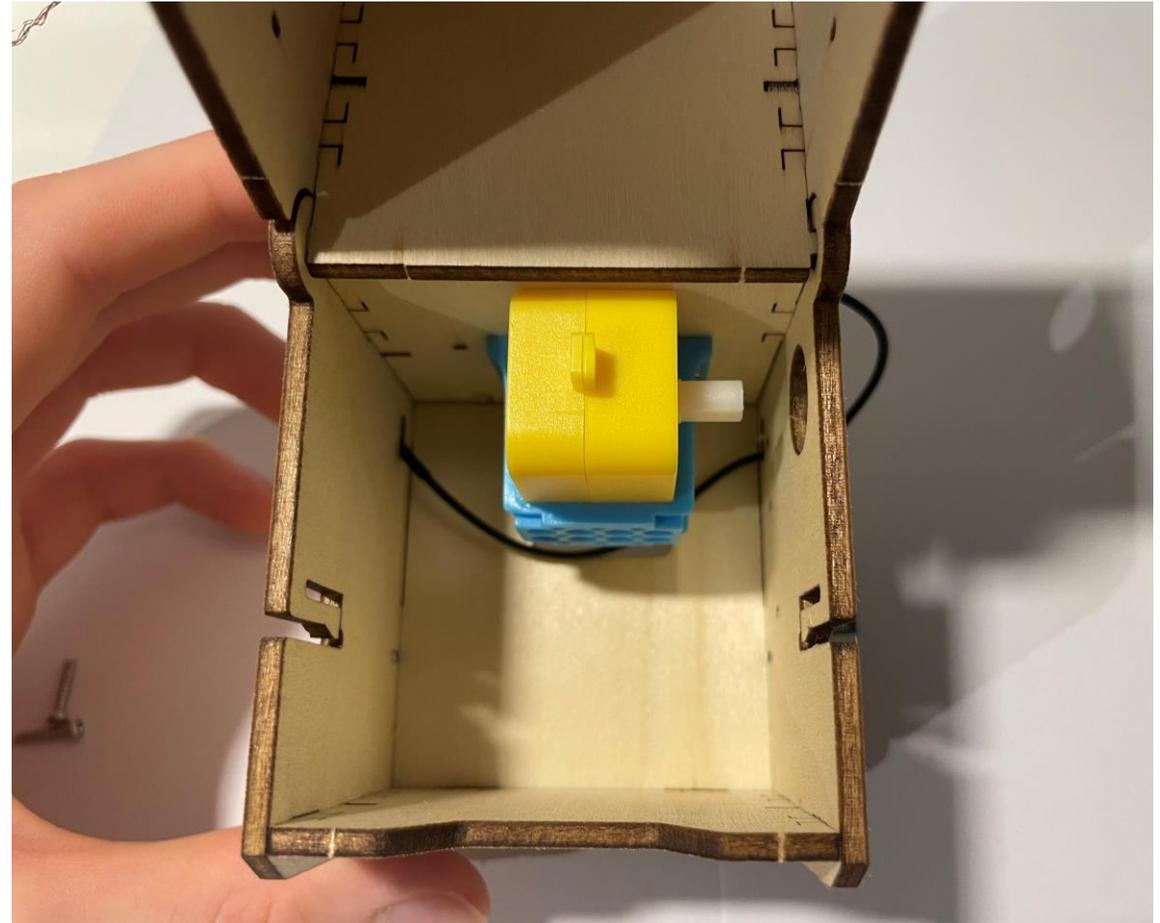

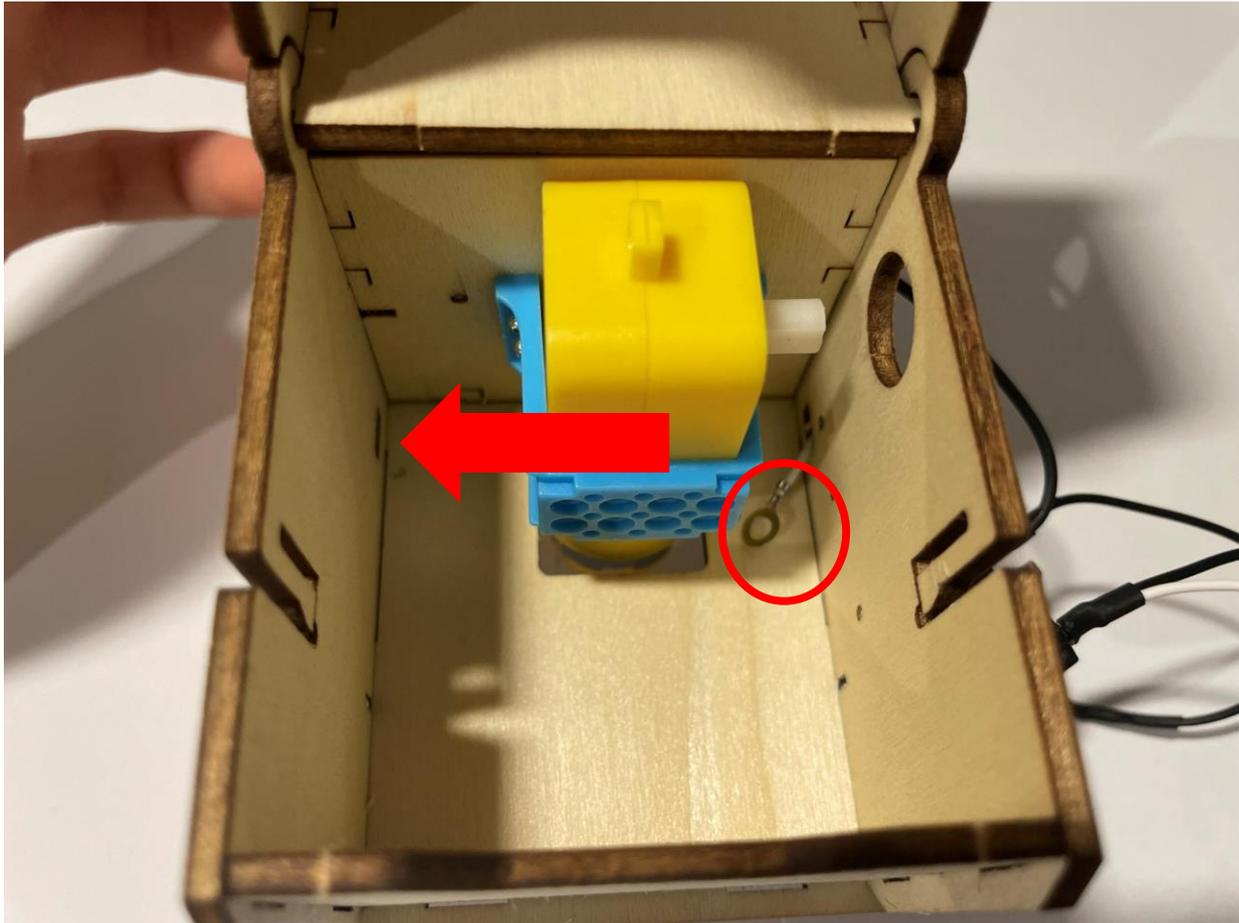

Rechte Seite

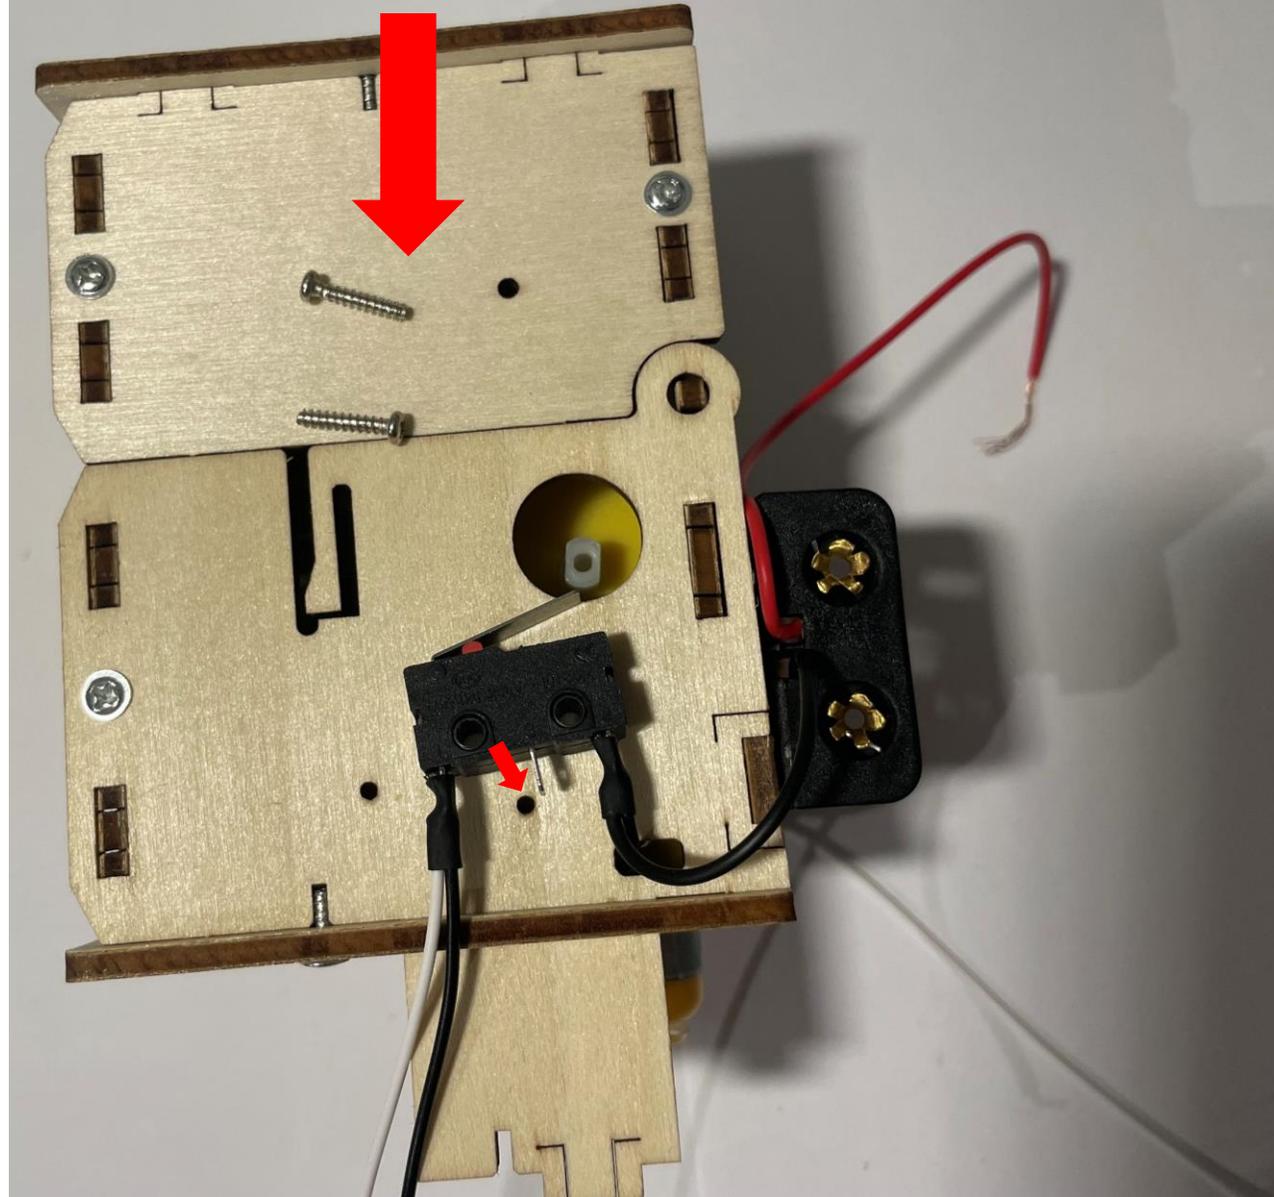

Schwarz Weißes Kabel in das Loch

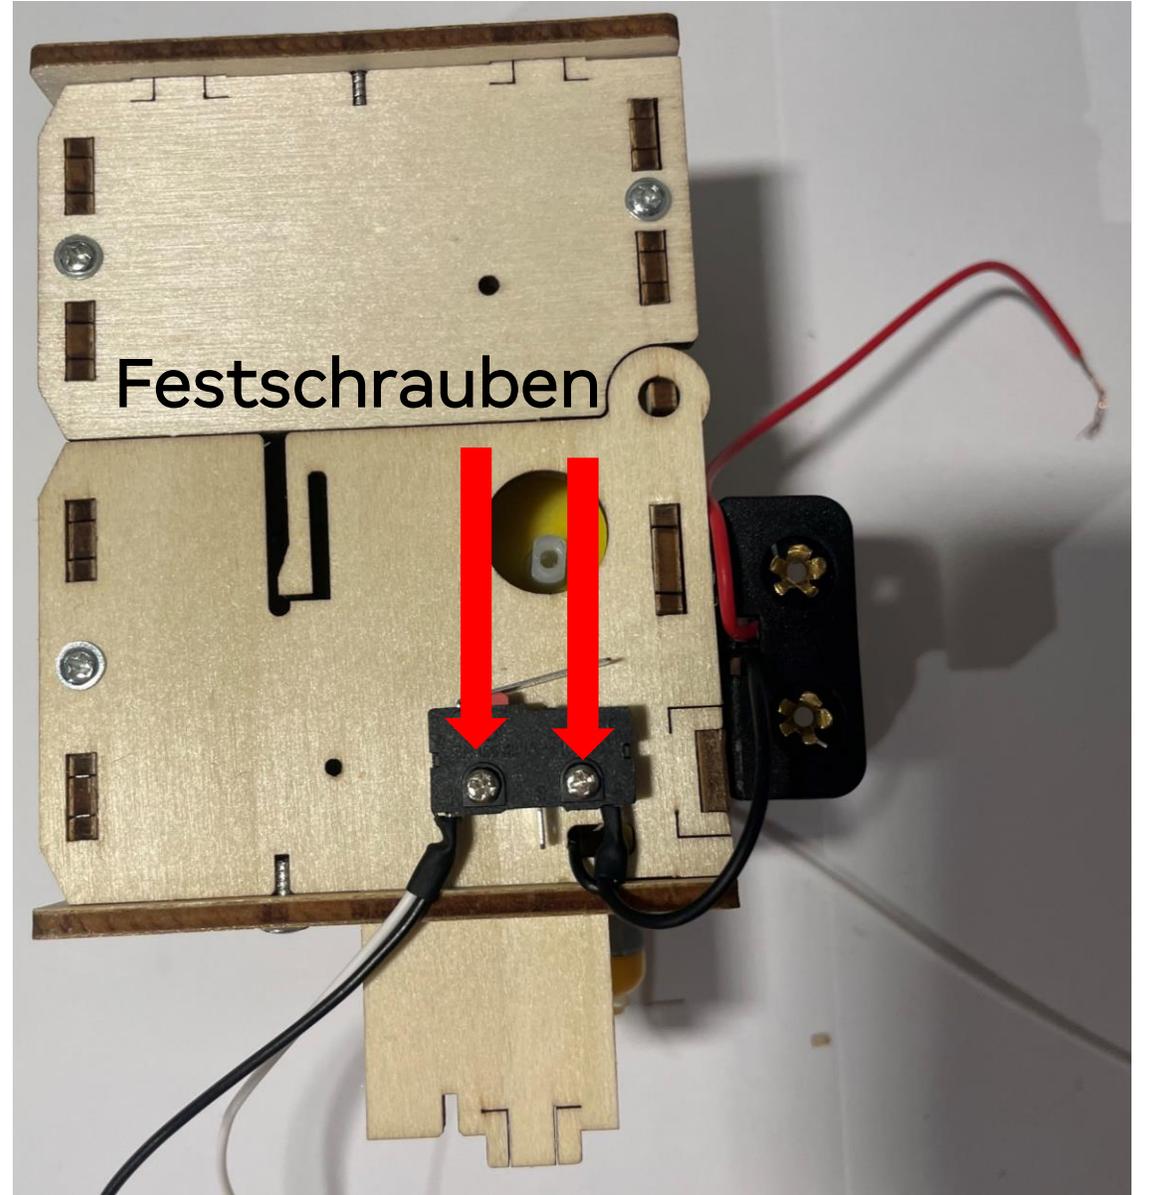

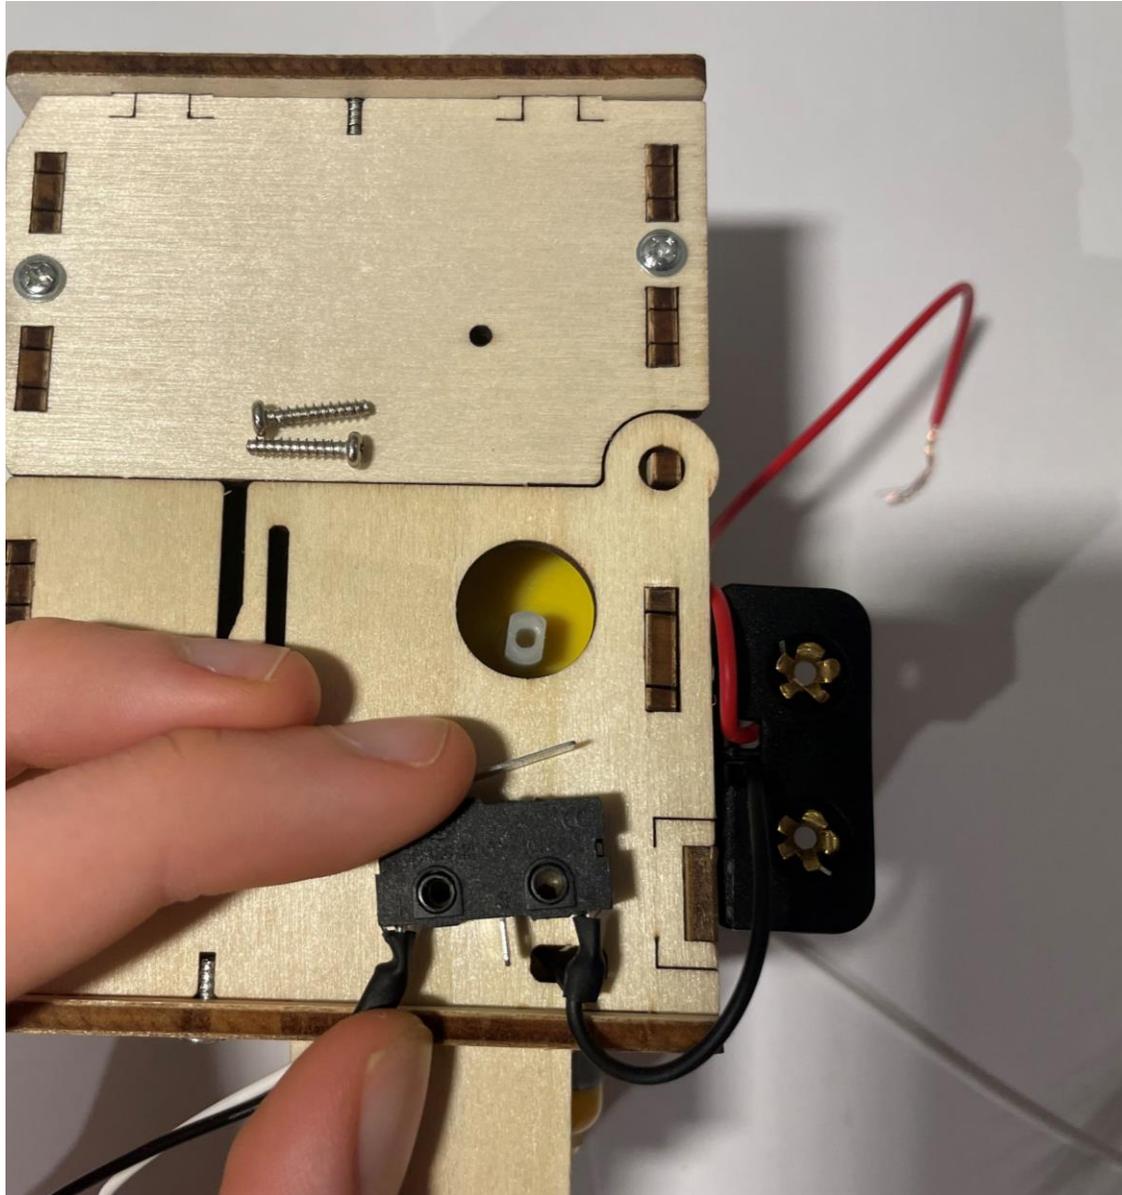

Bis zur anderen Seite durchfädeln

Lange Schrauben
